

Basic Game Rules

- Minimum bet is 30 credits.
- All pays are on selected lines only from the left most reel to the right on adjacent reels.
- Highest win only on each lit line.
- Wins on different lit lines are added.
- All wins are shown in credits/currency.
- Line wins are multiplied by credits wagered per line.
- Malfunction voids all pays and plays.
- Player is responsible for ensuring correct credits are registered before play.
- A player cannot influence the result of a game by stopping the reel spins.
- The game display does not indicate how close you were to winning and cannot necessarily be used to determine your chances of winning or losing if you continue to play.
- Each reel contains a number of adjacent positions that are randomly replaced with one of the following symbols: TNT, CART, DONKEY, WELL, SHOVEL, A, K, Q, J, 10, 9, before the reel spin is initiated.
- All replacement positions are filled with the same symbol.
- 3, 4 or 5 TNT wins trigger 8, 10 or 15 free games respectively.
- All wins during the feature are doubled.
- Free games can be triggered again during the feature.
- During the feature, all pays are on 30 lines.
- Credits bet remain the same as the game that triggered the feature.
- Any game in progress for more than 25 days will be cancelled, and the corresponding bet will be refunded.
- The expected return for this game is 96.10 %.
- Winnings are paid according to the payout table. Notwithstanding the foregoing, should an upper winning limit be specified, said limit will prevail. However, the upper limit may be unreachable depending on the game's bet configurations.
- Some features, such as Buy Bonus, Buy Pass, Fortune Spins, Feature Buy, Turbo and Speed Spins, some other configurable features and additional bets may not be available.

Balance of Fortune

- When the free game feature is triggered, the player may commence playing free games by selecting free game or exchange the free games by selecting credit prize.
- The credit prize is a random amount that, on average, is greater when more free games are exchanged.
- During the feature, the smallest possible credit prize amount that can be displayed for the min value is 32.
- During the feature, the largest possible credit prize amount that can be displayed for the max value is 585000.
- When playing free games, the player may exchange the balance of their free games for a credit prize by pressing the balance of fortune symbol provided the player has more than 20 free games remaining.

Quick Strike Online

- Quick Strike Online is a two-level linked mystery progressive that is won randomly during game play.
- The mystery progressive win will occur within the range indicated below the progressive amount.
- The more a player bets the higher the chance of hitting a progressive.
- The chance of hitting the progressive is proportional to the amount wagered.
- Each progressive jackpot increases by a percentage of the total credits wagered each spin.
