GAME RULES

- This page contains information on how to play this game.
- Please scroll down to read through all topics.

Getting started

- When you start the game, you enter a lobby where you can choose a machine to play this game. Simply click on "Play now" or a vacant machine to begin playing!
- This game is a game for one player - the gameplay of other players does not affect yours. Each game starts when you place a bet and ends when you leave the application.
- In the lobby, you may see other players in the same game sitting at a machine. By clicking such a machine, you are entering "spectator mode" and can watch a different player play. You are not able to influence the game which you are spectating in any way.
- Please choose the amount that you would like to take with you into the game directly after entering it.

Playing

- You choose the total bet per round via the "Total Bet" button.
- The minimum bet per round is \$ 0.20.
- The maximum bet per round is \$ 200.00.
- The "Start" button begins a round of play.
- Each round is independent of previous rounds.
- All game outcomes are independent and randomly determined.
- When you start a round, the bet is deducted from the balance you've paid in.
- At the end of a round, the console displays your win, if any.

Win Lines

- This game has 5 reels and 30 win lines.
- You can find an overview of the win line pattern via "Paytable & Info".

Autoplay

- Clicking on "Auto" starts automatic spins.
- If "Autoplay" is activated the button label becomes green. Clicking it again stops the automatic spins.
- Autoplay stops automatically when the total bet is higher than your current funds.

Winnings

- Winning combinations and payouts are made according to the paytable.
- Symbol payout values shown in the paytable are dynamic and change in accordance with the selected bet value.
- All prizes are for combinations of a kind, consecutive from left to right on selected lines.
- All wins start on the leftmost reel and are for combinations on adjacent reels.
- Only the highest win per line is paid.

RTP Range

- The theoretical RTP (return to player) value for this game is 95.20 %.
- The theoretical RTP is calculated as total win/total bet over a large number of games played and reflects the prizes awarded by a game as a percentage of all bets made. The actual RTP can vary widely in either direction for a small number of games due to statistical variance.

Connection Loss

- In case you lose your network connection, the game will complete the current round of play.
- If this round contains multiple spins (e.g. free games feature), the game will determine your winnings based on the game's expected win values.

Malfunction voids all pays and plays.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 2 hours will be completed and the corresponding prize, if any, will be deposited into the account.

GAME FEATURES

Change of Heart

- After a losing spin, Romeo may swipe the reels to move the symbols and create a winning combination. This process can repeat.

Reel Love

- During a spin, you may be given the chance to choose one of the five reels. This reel will then be duplicated to create a winning combination.

A Brush with Love

- After a losing spin, Romeo may replace symbols to create a win. This process can repeat.

Sealed with a Kiss Re-Spins

- During a spin, Romeo may add a love letter to the first reel. Once the reels stop spinning, this letter will turn into an expanded Wild and any wins will be paid. Each time you get a winning combination, the reels and the letter will move further towards Juliet. A trail above the reels will track your progress.

Free Spins

- If Juliet receives Romeo's love letter, you will be awarded with 5 free spins.
- Free spins are played using the same bet as the spin which triggered them.
- During or at the end of each free spin, Juliet may add Wild symbols to the reels. At the end of each free spin, any wins will be added and the Wild symbols will disappear. Juliet may also add Free Spin Hearts to the reels to grant additional free spins.
- During or at the end of any free spin, Juliet may add a Colossal Love Heart Wild to the reels. Colossal Love Heart Wilds can cover 2x2, 3x3, or 4x4 symbols.

Gambling

- With your current stake, a maximum of \$ 500.00 can be bet while gambling.
- For higher wins or during autoplay, gambling is not possible.
