## GAME DESIGN

### Game Theme and Graphics

Gambini is the star of the show and can deliver 1 of 4 Reel Modifiers or even a Free Spins Bonus that could pay lots of stacked wins. Watch out for surprise bonuses as you never know when Gambini may use his magic tricks.

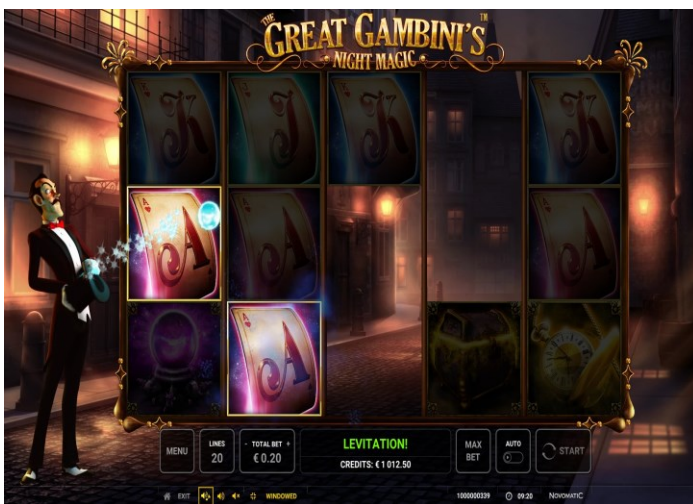

## Main Game

The Great Gambini's Night Magic™ has a 5x3 reel window with 20 win lines. There are 4 modifiers that can randomly trigger during the base game. Look out for Bonus symbols on all reels. Three or more in view, you'll be awarded a Free Spins Bonus.

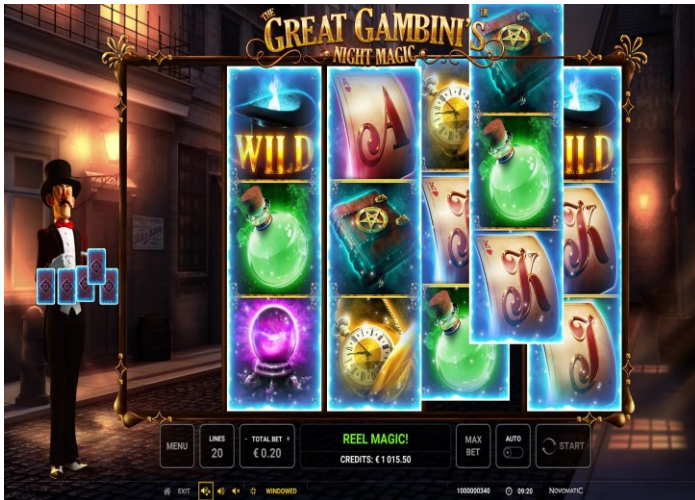

## Guillotine Win Reel Modifier

After a losing spin, the guillotine may drop and reveal a winning combination. This can happen multiple times. You may also trigger the Free Spins bonus.

## Symbol Levitation Reel Modifier

After a losing spin, some symbols may levitate off the screen. The Great Gambini will add new symbols to form a winning combination.

### Reel Magic Reel Modifier

After a losing spin, the reels may swap around to reveal a winning combination. This can happen multiple times.

### Quick Change Reel Modifier

After a losing spin, one or more symbols may shift in any direction to make a win.

### Free Spins Bonus

During free spins, you will be awarded a Special Symbol before every spin. Reel 3 is the Magic Reel. If your Special Symbol appears on this reel, it will become a stacked symbol and be copied over to all reels to the left. Any wins are then awarded. The Magic Reel may expand to the right to include reel 4, or even reel 5 too. This extended magic reel will stay in place for the remainder of the free spins. After your last free spin, there is a chance the Great Gambini will award you with extra free spins.
