Choose which Free Spins you would like to play for.

Wolf Climb Re-Spins

Wolf Symbols that land on un-selected trails will also advance them by 1 position but will not award additional re-spins.

During re-spins any wolf that lands will advance the corresponding trail by 1 position.

Land a wolf on your selected trail to get 1 extra re-spin OR if you land 2/3 or 4 adjacent Wolf Symbols on any reels you will retrigger for 2/4/6 extra re-spins.

Whichever step of the trail the Wolf Climb Re-spins end on, will signify the number of spins to be played of the selected feature. The feature is played out after the re-spins have ended.

Jackpot

If during the Wolf Climb Re-Spins any of the trails reaches top, the jackpot wheel will award a win and end the re-spins. The feature selected will then play out with its current number of spins.

The jackpot prizes are a multiplier of the current stake.

The maximum prize from the jackpot feature is 8100x.
