Values are based on current stake multiplied by the win per line for each symbol.

# Win Lines

Wins are achieved for any 3, 4 or 5 of a kind along a winline. This is a 20 win line game, paying from left to right only.

# Game Information

The overall payout percentage of the game is 94.63%.

This game is completely random. Malfunction voids all pays.

Only the highest win per line is paid.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 24 hours will be cancelled, and the corresponding bet will be refunded.

If multiple wins are achieved on different winlines on any spin, the total win will be the sum of all individual wins on separate winlines.

The maximum win from any spin cycle is: \$250,000.00
