

Reel King

Main Game

Your aim is to land 5 identical symbols along a win line. In the regular game, winning combinations begin on the first reel to the left and run along the win line to the right. To win, the symbols must lie next to each other without any other symbols between them. The Jester's Hat (Wild) substitutes all symbols

Reel King Feature

After each reel spin up to 5 Reel Kings can randomly appear on the reels. These kings have their own set of reels and can pay out various winnings. A king disappears as soon as it doesn't land a win after a spin. The total win from the bonus game can be between 5 and 500 times the total bet amount.

Trigger:

5 consecutive ascending reel stop tones triggers the Reel King feature.

Top Prize:

Maximum feature value is equal to 500 times the total bet when all 20 lines were in play when the feature was triggered

Feature hit rate:

1 in 50 games with all 20 lines in play
