CHRISTMAS FULL OF WILDS™

GAME FEATURES

Trail and Wins

	When a new game begins the trail will show a new toy, and will award a modifier once completed.
	Each winning drop lights a trail position. A drop with no win clears the trail. If all the positions are lit, the current toy award will be awarded.
	When a new game starts it's possible for the trail length to change. The minimum trail position possible is two, and the maximum trail position possible is five.
	Any winning combinations are awarded, winning symbols explode and new symbols drop into view. This continues until no wins are in view.
The trail is not present during modifiers.

GAME FEATURES

Lock & Spin

Completing a trail with the Lock & Spin toy in view triggers the Lock & Spin bonus.

During the Lock & Spin bonus, each position on the grid is an individual reel. The bonus starts with 3 spins and is reset back to 3 whenever a symbol lands into view. Symbols are locked into place. A consecutive run of 3 spins without landing any symbols ends the bonus.

GAME FEATURES

Lock & Spin

Symbols available in the Lock & Spin bonus are Blue Bauble, Green Bauble, Red Bauble and Golden Present. Every bauble symbol in view awards a cash value at the end of the bonus. Every Golden Present symbol in view awards one of the four Wild toy modifiers. Any wins achieved in a modifier are added at the end of the Lock & Spin bonus.

Blue Bauble values are x0.5, x1.

Green Bauble values are x1.5, x2, x2.5, x3, x3.5, x4, x4.5.

Red Bauble values are x5, x6, x7, x8, x9.

All bauble values multiply the Total Bet.

At the end of the Lock & Spin bonus, all bauble and Golden Present wins are added together and paid. If a full grid is achieved, an extra 1000x Total Bet is awarded.

A Christmas Full of Wilds™

GAME RULES

- This page contains information on how to play this game.
- Please scroll down to read through all topics.

Getting started

- When you start the game, you enter a lobby where you can choose a machine to play this game. Simply click on "Play now" or a vacant machine to begin playing!
- This game is a game for one player - the gameplay of other players does not affect yours. Each game starts when you place a bet and ends when you leave the application.
- In the lobby, you may see other players in the same game sitting at a machine. By clicking such a machine, you are entering "spectator mode" and can watch a different player play. You are not able to influence the game which you are spectating in any way.

Playing

- You choose the total bet per round via the "Total Bet" button.
- The minimum bet per round is \$0.20.
- The maximum bet per round is \$160.00.
- The "Start" button begins a round of play.
- Each round is independent of previous rounds.
- All game outcomes are independent and randomly determined.
- When you start a round, the bet is deducted from the balance you've paid in.
- At the end of a round, the console displays your win, if any.

Win Lines

- This game has 5 reels and 30 win lines.
- You can find an overview of the win line pattern via "Paytable & Info"

Autoplay

- Clicking on "Auto" starts automatic spins.
- If "Autoplay" is activated the button label becomes green. Clicking it again stops the automatic spins.
- Autoplay stops automatically when the total bet is higher than your current funds.
- Autoplay stops automatically when a feature is awarded.

Winnings

- Winning combinations and payouts are made according to the payable.
- Symbol payout values shown in the payable are dynamic and change in accordance with the selected bet value.
- All prizes are for combinations left to right and right to left.
- All prizes are for combinations of adjacent symbols of a kind on selected lines.
- Only the highest win per line is paid.
- Line wins are added.
- 5 of a kind prizes paid only once.
- If the win line is entirely created by Wild symbols, then the payout of the highest paid symbol is paid on selected lines.

RTP Range

- The theoretical RTP (return to player) value for this game is 94.69%.
- The theoretical RTP is calculated as total win/total bet over a large number of games played and reflects the prizes awarded by a game as a percentage of all bets made. The actual RTP can vary widely in either direction for a small number of games due to statistical variance.

Connection Loss

- In case you lose your network connection, the game will proceed to complete the current round of play automatically after a delay of 2 hours absence from the game.
- If you reconnect into the game earlier, you are able to continue playing the current round.
- This includes all settings such as number of lines and bet.
- If this round contains multiple spins (e.g. free games feature), the game will determine your winnings based on the game's expected win values.

Malfunction voids all pays and plays.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 2 hours will be completed and the corresponding prize, if any, will be deposited into the account.
