Stacked Wilds™ Feature

With the Stacked Wilds™ feature, each reel in the base game is loaded with groups of four or more consecutive Wild symbols.

In the Free Spins Bonus, the Stacked Wilds™ feature is richer and more plentiful.

Free Spins Bonus

You can trigger the Free Spins Bonus by getting three Bonus symbols in any position on the centre three reels. The bet and the number of lines played in the Bonus are the same as on the reel spin that triggered the Bonus.

Triggering the Free Spins Bonus awards you with five free spins. The reels in the Free Spins Bonus have a richer, more plentiful Stacked Wilds™ feature than the base game reels.

During the Free Spins Bonus, you can retrigger the Bonus by getting three Bonus symbols anywhere on the centre three reels. Retriggering the Free Spins Bonus awards you with an additional five free spins. You can retrigger the Bonus multiple times, up to a maximum of 255 free spins per Bonus.

Your bet per line in the Bonus is equal to the bet per line on the reel spin that triggered the

Bonus.

Rules

This game has a theoretical Return to Player (RTP) of 94.98%.

Malfunction void all pays and plays.

All line pay symbols must appear on a played line and on consecutive reels, beginning with the far left reel.

Only highest winner paid on each payline. Line wins are multiplied by the line bet on the winning line.

Only highest scatter award paid. Scatter pays are multiplied by the total bet.

Coinciding wins on different paylines are added. Scatter awards are independent from payline awards and are also added to the total amount paid.

Awards are shown in currency.

The prizes are paid in accordance with the payout table available on the game interface.

Regardless of your bet size, there is an award cap on any single transaction. See the payable for details. A transaction includes the results of the Free Spins Bonus plus the outcome which launched the Bonus. If the award cap is reached in the Bonus, the Bonus ends immediately irrespective of any remaining free spins.
