

Keno On Demand – Game Rules

OBJECT OF THE GAME

Players select numbers that have to match the drawn numbers to win a prize.

BETTING LIMITS

Minimum: \$0.25

Maximum: \$10.00

The default bet is \$1.00.

The maximum win for any single game is: \$200,000 when played at max bet.

HOW TO BET

Select your stake by clicking on the minus or plus sign in the “Wager per Draw” area.

HOW TO PLAY

The available numbers are 1 – 80, and you can select between 1 and 10 numbers. If your numbers match the drawn numbers (order not important) a prize is awarded. The draw will consist of 20 numbers between 1 and 80 selected at random (without replacement). Only one prize can be won in a single game. All draws must be finished before the game can complete.

The prizes are paid in accordance with the payout table available on the game interface.

Quick Pick

If the “Quick Pick” option is set to yes, numbers will be automatically chosen for you. When Quick Pick is on, to select the number of picks per draw, you have to press the minus or plus sign.

Number of Picks

When Quick Pick is on, to select the number of picks per draw, you have to press the minus or plus sign beside “Picks per Draw”. When Quick Pick is off, you must press the numbers directly on the grid to select your numbers and picks per draw.

Start Draw

To start the game, press the “Bet Now” button.

Replay Ticket

When a draw is complete, you can choose to play the same numbers at the same wager by pressing “Repeat Bet”.

New Ticket

You can select new numbers, picks per draw and a new wager by pressing the “New Bet” button.

Clear Board

After a draw is complete you can clear previously selected picks by pressing the “Clear Board” button.

RETURN TO PLAYERS

The RTP varies from 94.24% - 95.74% depending on wager and number of picks made.

GENERAL INFORMATION

In the event of a game in Real play being interrupted (i.e. started but not completed due to connectivity issues or accidentally closing the browser etc), any winnings will be correctly credited to your account and will be exact according to the result prior to the game being interrupted.

In the event of interrupted game play, the game will restore to the previous incomplete game and you can continue to play.

Any game in progress for more than 35 days will be cancelled, and the corresponding bet will be refunded.
