Game Rules

25 coins plays 243 ways.

Payouts are made according to the Paytable.

All wins multiplied by the bet.

Highest win paid per winning combination.

Coinciding wins are added.

Winning combinations can occur anywhere on all reels.

Each symbol can be used only once per winning combination.

Only positions containing the winning symbol are used in determining the win for that symbol, except in the case where a winning combination of WILDS occurs followed by a SCATTER on the next adjacent reel. In this case the winning combination of WILDS is paid.

All wins begin with leftmost reel and pay left to right only on adjacent reels, except SCATTER which pay any WILD substitutes for all symbols except SCATTER.

The prizes are paid in accordance with the payout table available on the game interface.
