Free Respin Modifier Feature

Free respin modifiers are triggered when two or more Pyramidion Scatter symbols appear anywhere on the reels during the base game. One of the following respin modifiers is awarded:

Sunbeam Wilds - Sunbeams shoot down from the sky, adding multiple Wild symbols onto the reels.

Waterfall Stacks - Waterfalls flow over multiple reels to reveal full stacks of the same symbol. The Wild symbol cannot be revealed during this modifier.

Obelisk Wilds - Obelisks rise from the ground, creating multiple wild reels.

Mighty Reel - Reels 2, 3, and 4 transform into one giant reel containing blocks of 3x3 symbols.

Free respin modifiers cannot be retriggered.

Reels used in the free respin modifier feature are different from the reels used in the base game.

The *Tomb of Power Free Spins Bonus* and *Tomb of Mystery Free Spins Bonus* cannot be triggered during free respin modifier spins.

Free respin modifiers are played at the same coin value as the triggering spin.

More triggering Scatter symbols award a richer and more plentiful feature.

Tomb of Power Free Spins Bonus

The *Tomb of Power Free Spins Bonus* is triggered when two Bonus symbols appear in any position on reels 1 and 3, combined with one Bonus Tomb of Power symbol in any position on reel 5.

Triggering the *Tomb of Power Free Spins Bonus* awards 8 initial free spins. The Power Wilds meter starts at 0 and increments by 1 each time the reels spin.

For each free spin, a reel is assigned to contain Power Wild symbols. Each time a Power Wild symbol appears, a number of surrounding symbols equal to the value shown in the *Power Wildsmeter* are transformed into Power Wild symbols, and an extra free spin is awarded.

A maximum of 14 symbols can be transformed into Power Wild symbols.

The *Tomb of Power Free Spins Bonus* cannot be retriggered.

Reels used in the *Tomb of Power Free Spins Bonus* are different from the reels used in the base game.

Free spins are played at the same coin value as the triggering spin.

Tomb of Mystery Free Spins Bonus

The *Tomb of Mystery Free Spins Bonus* is triggered when two Bonus symbols appear in any position on reels 1 and 3, combined with one Bonus Tomb of Mystery symbol in any position on reel 5.

When triggered, a wild reel containing a 2x multiplier appears on reel 5. After each free spin, a mini-reel above the reels spins. The wild reel either holds on the current reel with the multiplier value increasing by 1, or moves to the next reel to the left, keeping the same multiplier value for the next spin.

Free spins end once the wild reel has moved across all reels and the mini-reel stop icon appears above reel 1. The mini-reel stop icon only appears above reel 1.

All wins involving the wild reel are multiplied by the multiplier value. Only the highest winner, including the multiplier value, is paid on each payline.

The *Tomb of Mystery Free Spins Bonus* cannot be retriggered.

Reels used in the *Tomb of Mystery Free Spins Bonus* are different from the reels used in the base game.

Free spins are played at the same coin value as the triggering spin.

Rules

Misuse or malfunction voids all pays and plays.

All line win symbols must appear on a played line and on consecutive reels, beginning with the far-left reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Free respin modifier wins are independent from line wins and are added to the total amount paid.

Bonus wins are independent from line wins and are added to the total amount paid.

Bonus symbol appears on reels 1 and 3 in the base game only.

Tomb of Power and Tomb of Mystery symbols appear on reel 5 in the base game only.

Power Wild symbols appear in the *Tomb of Power Free Spins Bonus* only.

Wins are shown in currency.

The prizes are paid in accordance with the payout table available on the game interface.

In some jurisdictions, regardless of bet size, there is an award cap on any single transaction. See the paytable for details. A transaction includes the results of the bonus, plus the outcome which launched the bonus. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins.

Any game in progress for more than 30 days will be cancelled, and the corresponding bet will be refunded.

Additional Information

Expected Payback

In accordance with fair gaming practices required in most legal jurisdictions worldwide, each and every game outcome is completely independent, except in cases where one spin unlocks a feature for a subsequent spin or series of spins, per the game rules. The odds of getting any particular outcome are always the same.

The odds do not vary based on prior outcomes, bet size, balance size, time of day, day of week, etc. For example, if the top award is won on a given play of the game, the chances of winning the top award on the next play are exactly the same. Likewise, prior losses do not change future odds.

The expected payback reflects the theoretical return across a very large number of plays by numerous players over an extended period of time.
