Epic Crystal Deluxe

FULL GAME RULES

Epic Crystal Deluxe is a 6 reel, 3 row video slot. The game is played with 5 bet lines (fixed), which pay from left to right. The 'BONUS' symbol is a scatter symbol. 3 or more scatter symbols on any combination of reels will trigger Freespins, during which any Crystal landed will be collected. After the Freespins, a Lock and Spin bonus will determine the value of the Crystal. The player is awarded this value for each Crystal that was collected.

The maximum payout of this slot machine is 5000x stake. Any wins in excess of this amount will instead be limited to this maximum payout. It is possible that the operator has configured a win cap which differs from the 5000x win cap. If this is the case, it will not be possible to reach the 5000x win cap. Please contact the operator for further information.

Only highest win paid per line.

Multiple wins across multiple paylines will be added together.

FREE SPINS FEATURE

Freespins is triggered from 3 or more scatter symbols landing anywhere on the reels. Freespins are awarded according to the following table:

Scatter symbols landed	Free spins awarded
3	10
4	15
5	20
6	25

During the Freespins, each Crystal that lands will be collected at the side of the reels. The value of the Crystal is determined in the Money Respin bonus.

JACKPOT FEATURE

Find symbols that are wearing crowns to fill the jackpot meter. Every spin resets the meter. If every symbol on the reels has a crown the Jackpot will be awarded! The jackpot amount is shown at the top of the meter, and is based on 5000x your current bet.

CRYSTAL PRIZE MONEY RESPINS

The Money Respin bonus will determine the value of the Crystals which were collected in the Freespins. Each of the 18 reels spin individually. Either blank or a value will land on the reels. These values lock into place and the rest of the reels respin. Three sequential spins where no values land will end the bonus. At the end of the bonus, these values are collected. The player is then awarded this value multiplied by the number of Crystals that were collected.

RETRIGGER

3 or more scatter symbols landing on any combination of reels during freespins retrigger the bonus. The scatters award the same number of spins as when triggering in base game.

DEMO PLAY

The Operator's Demo Mode games are a sample of the Play for Real version. They play with the exact same rules and random number generator. Demo Mode versions of games allow you to play for 'fun money' that has no financial value.

GAMING SYSTEM MALFUNCTION

The Operator reserves the right to withhold winnings and void wagers if a Player manipulates the games in a fraudulent manner or the Gaming System itself malfunctions.

The definition of such a malfunction extends to an error in the published odds or pay tables, or a game not working in accordance with its published rules.

Malfunction voids all plays and pays.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 24 hours will be completed and the corresponding prize, if any, will be deposited into the account.
