

Wheel of Fortune® Triple Gold Gold Spin

Get ready to be the newest contestant in the iconic **Wheel of Fortune® Triple Gold Gold Spin**! This stepper game has 5 paylines, sub-symbols that multiply line wins, the iconic **Wheel of Fortune Bonus**, a **Gold Spin Bonus**, and a jackpot.

How to Bet

Wheel of Fortune® Triple Gold Gold Spin features 5 paylines.

Bet Settings Menu

Press the cog or TOTAL BET to open the bet configuration menu.

Total Bet

Displays the current number of paylines and total bet shown in currency.

To change the bet:

Select the desired total bet.

On desktop devices, press the minus button (-) to decrease the total bet, or press the plus button (+) to increase the total bet.

Press OK to confirm and close the bet settings menu.

Spin

Press the circular arrow to submit the bet and spin the reels.

Auto Spin Feature

Auto Spin plays the game automatically for a given number of spins at the current total bet and number of paylines selected.

For jurisdictions where Auto Spin is enabled: Select the number of auto spins and where available, the loss limit, and the (optional) single win limit.

After selecting the desired bet configuration, press **AUTO SPIN**, and choose how many spins to play at the current bet settings.

Auto Spin plays the specified number of spins until **STOP** is pressed, a bonus is triggered, the balance is insufficient to spin, or any enabled win/loss limit settings are reached.

Auto Spin is only available in approved jurisdictions.

Sub-Symbol Feature

All symbols except Triple 7s, Spin Scatter, and Gold Spin Scatter Symbols may appear with a Triple Sub-Symbol. Symbols containing a Triple Sub-Symbol substitute for their respective symbols without the Triple Sub-Symbol.

If 1 symbol in a line win contains a Triple Sub-Symbol, that win is multiplied by 3x. If 2 symbols in a line win contain a Triple Sub-Symbol, that win is multiplied by 9x. If 3 symbols in a line win contain a Triple Sub-Symbol, that win is multiplied by 27x.

Wheel of Fortune Bonus

The **Wheel of Fortune Bonus** is triggered when the Spin Scatter Symbol appears in any active position on reel 3. Triggering the **Wheel of Fortune Bonus** awards 1 spin of the **Wheel of Fortune** wheel.

Available wheel awards are 20, 25, 30, 40, 50, 60, 75, 100, 125, 150, 200, 250, 400, 500, and 1,000 coins.

After the wheel stops, the prize value indicated by the wheel pointer is awarded and the bonus ends.

Gold Spin Bonus

The **Gold Spin Bonus** is triggered when the Gold Spin Scatter Symbol appears in any active position on reel 3. Triggering the **Gold Spin Bonus** awards 1 spin of the Gold Spin wheel.

Available wheel awards are the Jackpot, 45, 50, 60, 65, 75, 80, 90, 100, 125, and 150 coins, and 3x, 5x, and 15x multipliers.

If the Gold Spin wheel pointer indicates a 3x, 5x, or 15x multiplier, 1 spin of the **Wheel of Fortune** wheel is awarded. After the **Wheel of Fortune** wheel stops, win the value indicated by the wheel pointer, times the multiplier awarded from the Gold Spin wheel. A different **Wheel of Fortune** wheel is used at different multipliers.

The **Gold Spin Bonus** ends after all awarded wheel spins have been played.

Winning the Jackpot

Wheel of Fortune Triple Gold Gold Spin offers 2 ways to win the Jackpot.

A Wheel Triple 7s Symbol and 2 Wheel Triple 7s Symbols with Triple Sub-Symbol on the first payline awards the Jackpot.

The Jackpot may also be awarded during the **Gold Spin Bonus**.

The Jackpot is a fixed award, and is not shared – it can only be won by the player.

Options

All Sound

- Toggle game sounds on or off.

Sound Effects

- Toggle sound effects on or off.

Music

- Toggle music on or off.

Voice

- Toggle voiceover on or off.

Rules

Misuse or malfunction voids all pays and plays.

The prizes are paid in accordance with the payout table available on the game interface.

All line win symbols must appear on a played line and on consecutive reels, beginning with the far-left reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Bonus wins are independent from line wins and are added to the total amount paid.

Spin Scatter Symbol appears on reel 3 only.

Gold Spin Scatter Symbol appears on reel 3 only.

Wheel Triple 7s Symbol appears on reel 1 only.

Wheel Triple 7s Symbol with Triple Sub-Symbol appears on reels 2 and 3 only.

Wins are shown in currency.

In this game, the wheel is a graphical animation for entertainment purposes only and does not represent an actual wheel. The chances of obtaining a specific segment are therefore not equiprobable.

In some jurisdictions, regardless of bet size, there may be an award cap on any single transaction. See the paytable for details. A transaction includes the results of the bonus, plus the outcome which launched the bonus. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins.
