

## **POWERBUCK\$ Arctic Gems**

Play **POWERBUCK\$ Arctic Gems** for a chance to become a millionaire on any spin and at any bet level! Journey to the magnificent icy north in pursuit of alluring wildlife and vast riches! Watch for multipliers in the base game that may open the passage to the *Polar Picks Bonus* and let you collect enough gems to win the **POWERBUCK\$** Jackpot or Progressive. In the crystalline beauty of the *Free Spins Bonus*, enjoy huge wins made from reels packed with higher paying symbols.

### **How to Bet**

**POWERBUCK\$ Arctic Gems** features 50 paylines.

#### **LINES**

Displays the current number of paylines.  
Betting is fixed at 50 paylines which costs 75 coins.

#### **TOTAL BET**

Displays the current bet value shown in currency.  
Press to reveal the Bet Menu and choose a bet amount.

#### **SPIN**

Press the circular arrow to submit the bet and spin the reels.

### **Auto Spin Feature**

Auto Spin plays the game automatically for a given number of spins at 50 lines and the current coin value.

After selecting the desired bet configuration, press **AUTO SPIN**, and choose how many spins to play at the current bet settings.

Auto Spin plays the specified number of spins until the **STOP** is pressed, a bonus is triggered, the balance is insufficient to spin, or any enabled win/loss limit settings are reached.

Auto Spin is only available in approved jurisdictions.

### **POWERBUCK\$**

Every bet is eligible to win either the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive of at least \$1,000,000!

- Total bets of \$2.25 or more are eligible to win the **POWERBUCK\$** Progressive.
- Total bets less than \$2.25 are eligible to win the **POWERBUCK\$** Jackpot.

The **POWERBUCK\$** Jackpot or Progressive can only be won in the *Polar Picks Bonus*.

The chance of winning the **POWERBUCK\$** Jackpot or Progressive is linearly proportional to the size of the bet.

## **Polar Picks Bonus**

The *Polar Picks Bonus* may be triggered after any base game spin that contains one or more multipliers.

The chance of triggering the *Polar Picks Bonus* increases as the bet increases, until the chance remains the same for all total bets over \$3.

First, select 11 coins. Each selected coin awards a gem or a blank.

Each gem awarded fills in one position on the side meter, starting with the bottom position.

Win the final value indicated on the side meter corresponding to the total number of gems awarded.

If 11 gems are awarded, win the **POWERBUCK\$** Jackpot or Progressive, depending on the triggering bet.

## **Multiplier Feature**

A multiplier sub-symbol may appear on select symbols (Polar Bear, White Fox, Hare, or Ermine) on the first reel. If a symbol containing a multiplier sub-symbol of 2x, 3x, or 5x appears in a line win, that win is multiplied by 2x, 3x, or 5x respectively.

## **Dynamic Symbol Replacement Feature**

In the base game, reels 2, 3, 4, and 5 contain dynamic symbols that can transform into Polar Bear, White Fox, Hare, or Ermine symbols. Before each spin, a symbol is randomly selected to fill every reel's dynamic symbol positions. All dynamic symbols on those reels transform into the same randomly-selected symbol.

## **Free Spins Bonus**

The *Free Spins Bonus* is triggered when three Bonus scatter symbols appear anywhere on the reels. Bonus symbols appear on reels 1, 3, and 5 only.

Triggering the *Free Spins Bonus* awards 8 free spins. The reels in the *Free Spins Bonus* are richer than the base game reels as they contain only Wild, Polar Bear, White Fox, Hare, Ermine, and Bonus symbols, removing the least valuable symbols from the reels.

The *Free Spins Bonus* is retriggered when three Bonus scatter symbols appear anywhere on the reels. These symbols appear on reels 1, 3, and 5 only.

The bonus can be retriggered multiple times, up to a maximum of 80 free spins per bonus.

Reels used in the *Free Spins Bonus* are different from the reels used in the base game

Free spins are automatically played at same coin value and same number of paylines as the triggering spin.

## Rules

Misuse or malfunction voids all pays and plays.

All line win symbols must appear on a played line and on consecutive reels, beginning with the far-left reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Bonus wins are independent from line wins and are added to the total amount paid.

Bonus scatter symbols appear on reels 1, 3, and 5 only.

Wins are shown in currency.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 30 days will be cancelled, and the corresponding bet will be refunded.

In some jurisdictions, regardless of bet size, there is an award cap on any single transaction. See the paytable for details. A transaction including the results of any triggered bonus, plus the outcome which launched the bonus. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins, but does not include the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive.

## **POWERBUCK\$** Rules

For total bets less than \$2.25, only the **POWERBUCK\$** Jackpot is eligible to be won (not the **POWERBUCK\$** Progressive). For total bets of \$2.25 or more, only the **POWERBUCK\$** Progressive is eligible to be won (not the **POWERBUCK\$** Jackpot).

The probability of winning a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive is exactly proportional to the total bet size.

For total bets of \$2.25 or more, after every *Polar Picks Bonus* that does not award the **POWERBUCK\$** Progressive, a behind-the-scenes Second Chance drawing occurs that can also award the **POWERBUCK\$** Progressive.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not subject to an award cap.

Upon winning the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive, a message

appears to indicate that customer service will be in contact within 24 hours with payout details. The win verification process may take up to 72 hours, during which time the win amount will not be reflected in the player's account balance. The specific payment process is dependent upon the casino's policy on large win disbursement. You may continue to play. Continuing play does not affect the payment of a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win.

The amount paid after a verified **POWERBUCK\$** Progressive win is approximately the amount seen on the **POWERBUCK\$** Progressive meter when the win occurs. Potentially, the actual amount paid for a **POWERBUCK\$** Progressive win could be somewhat higher because of communication and display delays.

In an exceptionally rare case, the win value could be the **POWERBUCK\$** Progressive seed amount if another player's winning outcome is received by the central server immediately prior to another player's winning outcome. It is theoretically possible for this to occur even though the **POWERBUCK\$** Progressive meter did not yet display the meter reset caused by the first player's win. The order of winning is solely determined by the timestamp applied to each transaction request upon receipt by the jackpot server.

All applicable taxes and fees in connection with any winnings awarded to you and any other payments are the sole responsibility of the player. Winnings cannot be transferred, substituted, or redeemed for any other consideration.

The casino or **POWERBUCK\$** administrator may deactivate this game and/or its linked Jackpot and/or Progressive at any time.

The **POWERBUCK\$** administrator or casino may increase or decrease the size of the **POWERBUCK\$** Progressive win by contributing or removing money at any time.

The **POWERBUCK\$** Progressive meter represents an increasing top award where the rate of growth is based on a fixed proportion of all bets and any additional funds added by the **POWERBUCK\$** administrator.

## **Additional Information**

### Lost Connection During **POWERBUCK\$** Jackpot or Progressive Win

In the unlikely event of a lost connection or game reset during a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive triggering event, the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive will be awarded.

Notification of the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win will appear on the game screen when the game is reloaded, and the win will not be reflected in the player's account balance. Any standard wins will be reflected in the account balance. Continued play, whether in this game or any other, does not affect the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive payout. Customer Service will be in contact within 24 hours with the payout details. The win verification process may take up to 72 hours.

### Expected Payback

In accordance with fair gaming practices required in most legal jurisdictions worldwide, each and every game outcome is completely independent, except in cases where one spin unlocks a feature for a subsequent spin or series of spins, per the game rules. The odds of getting any particular standard outcome (i.e. not **POWERBUCK\$** related) are always the same.

The odds do not vary based on prior outcomes, bet size, balance size, time of day, day of week, etc. For example, if the top award is won on a given play of the game, the chances of winning the top award on the next play are exactly the same. Likewise, prior losses do not change future odds.

The odds of triggering the *Polar Picks Bonus* and outcome odds within the *Polar Picks Bonus* are influenced by the bet amount, but are not otherwise influenced by any external factors.

The expected payback reflects the theoretical return across a very large number of spins by numerous players over an extended period of time. The results for any given player over a play session can vary widely from this long-term, expected average in either direction. The fewer the number of games played, the wider the normal variance of actual payback that may be experienced.
