

King of Cats Help

Introducing the game

King of Cats is a six reel video slot with PLAYERSELECT™ featuring Big Time Gaming's Megaways™ with up to 117,649 ways to win. PLAYERSELECT™ gives players the choice play the Lion Game or the Puma Game.

How to play

Select your stake by clicking the left and right arrow buttons on the stake. The stake value is displayed in the stake display.

All payouts are multiplied by the stake of each individual spin.

Auto play

To set up Auto play press the Auto button. This will display Auto play panel which the player can use to modify the number of spins, set a loss limit or set a win limit. When a loss limit has been set the player can select LION START or PUMA START to commence playing the LION GAME or PUMA GAME

When Auto play is on, the Play button of the active game will change to a Stop button. The remaining Auto plays will be displayed in the Stop button. The player can cancel Auto play by clicking the Stop button. Auto play will stop automatically if any of the limits set is reached or anything occurs that requires player intervention.

The Play button of the inactive game becomes a Switch button. The player can switch to play the inactive game by clicking the Switch button. If the Switch button is clicked a second time before the next spin has commenced, the action is cancelled. If the Free Spins are triggered in the current spin, any Switch action is cancelled.

Auto play may not be available in your jurisdiction.
