GAME RULES

FIXED MULTIPLIER SYMBOLS

Certain Seven and Bar symbols display a 2X, 3X, or 5X Multiplier. Multipliers multiply winning combinations they appear in. Two or more Multipliers on an active payline multiply together and multiply the winning combination. 2X Multiplier appears on a 7 symbol, a 77 symbol, a 777 symbol, a Single Bar symbol, and a Double Bar symbol. 3X Multiplier appears on a 7 symbol and a Single Bar symbol. 5X Multiplier appears on a 77 symbol, a 777 symbol, and a Double Bar symbol.

SYMBOL TRIGGERED PROGRESSIVES

Progressives are available at max bet only. Progressive triggering symbols must land on active paylines to award progressives. During the base game, at max bet, when three Crystal Star symbols land on payline 9, the top base game progressive is awarded. When three Crystal Star symbols land on paylines 1 to 8, the bottom base game progressive is awarded.

During the Platinum Spins Bonus, at max bet, when three Crystal Star symbols land on payline 9, the top Platinum Spin Progressive is awarded. When three Crystal Star symbols land on paylines 1 to 8, the bottom Platinum Spin Progressive is awarded.

At less than max bet, flat prizes are awarded. Prizes are multiplied by bet multiplier. During base game, three Crystal Star symbols on payline 9 awards 2,000 credits and three Crystal Star symbols on payline 1 to 8 awards 200 credits. During Platinum Spins, three Crystal Star symbols on payline 9 awards 5,000 credits and three Crystal Star symbols on payline 1 to 8 awards 700 credits.

Progressive tiers are funded by a percentage of all wagers.

PLATINUM SPINS

When the Platinum Spins symbol lands on reel 3, the Platinum Spins bonus triggers, awarding 3 free spins. During the Platinum Spins bonus, the Platinum Spins Jackpots become available, and the Base Game Jackpots become unavailable. Landing the Platinum Spins symbol on reel 3 during the Platinum Spins bonus awards an additional 3 free spins. The maximum number of free spins is 30. Reels are weighted differently during the Platinum Spins bonus.

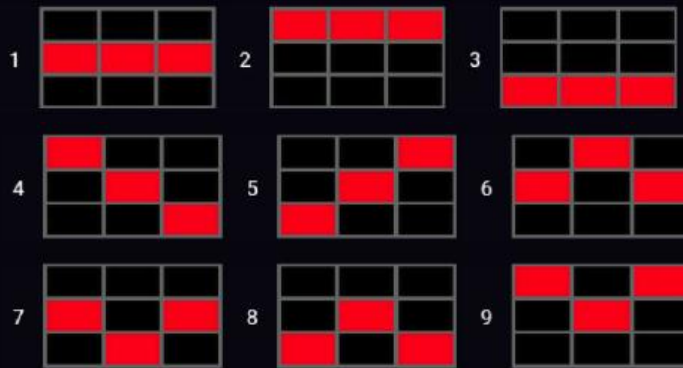

CRYSTAL STAR SYMBOL

The Crystal Star symbol is wild and substitutes in winning Seven or Bar symbol combinations when appearing on an active payline. Only highest winner paid per line.

Wild symbols do not substitute for Multipliers or the Platinum Spins symbol.
