## GAME RULES

### CRYSTAL STAR SYMBOL

The Crystal Star symbol is wild and substitutes for any symbol except for multiplier symbols to make a winning combination.

### FIXED MULTIPLIER SYMBOL

Multipliers multiply winning combinations except progressives. Two or more multipliers on a payline multiply together and multiply the winning combination. The maximum total multiplier for a winning combination is 75X. 2X multipliers are available on 777, 7, and Double Bar symbols. 3X multipliers are available on 77, 7 and Single Bar symbols. 5X multipliers are available on 777, Double Bar and Single Bar symbols.

### DOUBLE NUDGE™

When one or more Crystal Star symbols appear during a reel stop, wins in the initial reel stop are paid first then each Crystal Star symbol can nudge up or down one position to create a new reel stop combination to be evaluated. The nudge direction is dictated by the arrow on the Crystal Star symbol. All Crystal Star symbols nudge at the same time, no matter the direction. If applicable, wins for the initial nudge combination are paid, then each Crystal Star symbol can nudge a second time up or down one position to create a new reel stop combination to be evaluated. The Crystal Star symbol will not nudge above line 2 or below line 3. Crystal Star symbols can nudge one or two positions depending on its initial landing location. It is possible to award a progressive before or after the nudge has taken place.

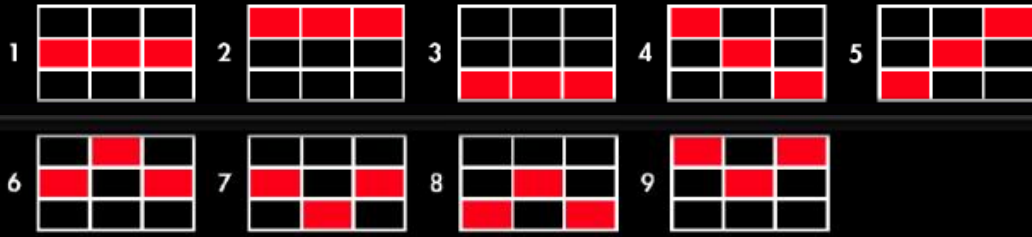

### SYMBOL TRIGGERED PROGRESSIVES

Progressives are available at max bet only. Progressive triggering symbols must land on active paylines to award progressives. At max bet, when three Crystal Star symbols land on payline 9, the top progressive is awarded. When three Crystal Star symbols land on paylines 1 to 8, the bottom progressive is awarded. Specific Crystal Star symbol combinations on active paylines can result in winning multiple progressives on a single play. The top and bottom progressive awards can only trigger once on a single play, subsequent jackpots at max bet along paylines 1-8 award a flat pay credit amount of 1,500 credits.

At less than max bet, flat prizes are awarded. Prizes are multiplied by bet per line. Three Crystal Star symbols on payline 9 awards 4,000 credits and three Crystal Star symbols on payline 1 to 8 awards 300 credits. Specific Crystal Star symbol combinations on active paylines can result in winning multiple flat prizes on a single play.
