

Epic Crystal

FULL GAME RULES

Epic Crystal is a 5 reel, 3 row video slot. The game is played with 20 bet lines (fixed), which pay from left to right, starting from the outermost left. The 'BONUS' symbol is a scatter symbol. 5 or more scatter symbols on any combination of reels will trigger 7 freespins and an amount of picks on the Crystal Prize Wheel. The game also has several random events which can award a large win or enough bonus symbols to trigger freespins. These can happen on any base game spin.

The maximum payout of this slot machine is (1250x max bet). Any wins in excess of this amount will instead be limited to this maximum payout.

Only highest win paid per line.

Multiple wins across multiple paylines will be added together.

WILD symbol appears only on reels 2 and 4.

FREESPIN TRIGGER

Freespins is triggered from 5 or more scatter symbols landing on any combination of the reels. 7 freespins are awarded. An amount of picks on the Crystal Prize Wheel is awarded depending on how many scatter symbols triggered the freespins bonus.

| Bonus Symbols | Picks awarded |
|---------------|---------------|
| 5 | 1 |
| 6 | 2 |
| 7 | 3 |
| 8 | 4 |
| 9 | 5 |
| 10 | 6 |

CRYSTAL PRIZE WHEEL

Once freespins has been triggered, the amount of picks as explained above are awarded on the Crystal Prize Wheel.

Each pick awards a value from the wheel. The values are added together to give a total Crystal Prize value. The same value on the wheel can't be chosen twice, but all of the values will be available the next time the Crystal Prize Wheel is triggered.

FREESPINS

During freespins, every time a scatter symbol lands the Crystal Prize value is awarded.

RETRIGGER

5 or more scatter symbols landing on any combination of reels during freespins retriggers the bonus, awarding an additional 5 freespins. Picks are awarded in the same way as the base game freespins trigger. The total Crystal Prize value awarded from these picks will be added to the current Crystal Prize value. All the remaining freespins will then award the new Crystal Prize value every time a scatter symbol lands.

RANDOM TRIGGERS

Randomly, during any base game spin, a special spin will be awarded where one of the below effects can happen:

| Type | Change |
|-----------------------|--|
| Synchronized reels | All reels will land with the same symbols on each reel |
| Quick slam reels | Reels spin faster than usual, and suddenly come to a stop at the same time |
| 'Retry' bonus trigger | After the reels have landed in a 'near miss' scenario for triggering the bonus, the last reel can respin and land on the scatter symbols needed to trigger the bonus |
