At the end of a game the Bonus Slot plays all awarded spins. Bonus Slot spins are awarded when 3 Bonus Slot symbols land in a single spin or are awarded on the Slingo prize ladder and/or the Bonus Wheel.

The Wild Joker symbol may only appear on the 3 central reels.

When a Wild Joker symbol lands, it expands to fill the entire reel before wins are calculated.

This symbol substitutes for all symbols except the Scatter (Fairy) symbol.

If one or more Wild Joker symbols participates in a win, then that win is doubled.

Scatter symbol wins are paid in addition to other wins.

Scatter symbol wins are multiplied by initial base stake.
