Fortune Fishing™

GAME RULES
- This page contains information on how to play this game.
- Please scroll down to read through all topics.

Getting started
- When you start the game, you enter a lobby where you can choose a machine to play this game. Simply click on "Play now" or a vacant machine to begin playing!
- This game is a game for one player - the gameplay of other players does not affect yours. Each game starts when you place a bet and ends when you leave the application.
- In the lobby, you may see other players in the same game sitting at a machine. By clicking such a machine, you are entering "spectator mode" and can watch a different player play. You are not able to influence the game which you are spectating in any way.

Playing
- You choose the total bet per round via the "Total Bet" button.
- The minimum bet per round is
- The maximum bet per round is
- The "Start" button begins a round of play.
- Each round is independent of previous rounds.
- All game outcomes are independent and randomly determined.
- When you start a round, the bet is deducted from the balance you've paid in.
- At the end of a round, the console displays your win, if any.

Win Lines
- This game has 5 reels and 10 win lines.
- You can find an overview of the win line pattern via "Paytable & Info".

Autoplay
- Clicking on "Auto" starts automatic spins.
- If "Autoplay" is activated the button label becomes green. Clicking it again stops the automatic spins.
- Autoplay stops automatically when the total bet is higher than your current funds.
- Autoplay stops automatically when a feature is awarded.

Winnings
- Winning combinations and payouts are made according to the paytable.
- Symbol payout values shown in the paytable are dynamic and change in accordance with the selected bet value.
- All prizes are for combinations of a kind, except Fish symbol line wins and Extra Bonus Wins.
- All prizes are for combinations left to right, except Scatters and Extra Bonus Wins.
- All prizes are on selected lines, except Scatters and Extra Bonus Wins.
- All wins start on the leftmost reel and are for combinations on adjacent reels.
- Highest win only paid per selected line.
- Scatter symbols pay regardless of their position.
- Scatter wins and Extra Bonus Wins are added to line wins.

Bonus Symbols
- The Wild symbol appears during the Free Games only and substitutes for all symbols, except Scatter and triggers Extra Bonus Wins.
- During the Free Games each Wild symbol on the screen triggers the payout of the total value of all Extra Bonus Wins (= values on Fish symbols) on screen.
- When the Wild symbol appears with any Fish symbols on the reels during Free Games, bonus prizes of up to 50x total bet are awarded.

RTP Range
- The theoretical RTP (return to player) value for this game is 95.00 %.
- The theoretical RTP is calculated as total win/total bet over a large number of games played and reflects the prizes awarded by a game as a percentage of all bets made. The actual RTP can vary widely in either direction for a small number of games due to statistical variance.

Connection Loss
- In case you lose your network connection, the game will proceed to complete the current round of play automatically after a delay of 2 hours absence from the game.
- If you reconnect into the game earlier, you are able to continue playing the current round.
- This includes all settings such as number of lines and bet.
- If this round contains multiple spins (e.g. free games feature), the game will determine your winnings based on the game's expected win values.

Malfunction voids all pays and plays.

The prizes are paid in accordance with the payout table available on the game interface.
Any game in progress for more than 2 hours will be completed and the corresponding prize, if any, will be deposited into the account.

GAME FEATURES

Free Games
- 3 or more Scatter symbols on the screen trigger the Free Games with Fortune Fishing Bonus.
- Free Games use different reels than the base game.
- Free Games are played using the same bet as the spin which triggered them.
- Free Games can be won again during the Free Games.
- During Free Games feature 2 or more Scatter symbols trigger additional Free Games.

Gambling
- With your current stake, a maximum of $ 500.00 can be bet while gambling.
- For higher wins or during autoplay, gambling is not possible.
