

HOW TO PLAY

WILD

The WILD symbol can appear on reels 2, 3, 4 and 5 and substitutes for all other symbols excluding the DIAMOND symbol.

The WILD symbol may land during both the base game and Free Spins.

DIAMOND

The DIAMOND symbol is a scatter symbol and can appear on all reels. Land 3 or more DIAMOND symbols to be awarded Free Spins.

FREE SPINS

Land 3, 4, 5, or 6 DIAMOND scatter symbols in the base game to trigger Free Spins, and be awarded 8, 15, 20 or 50 Free Spins, respectively. A total bet multiplier will be awarded for landing 3, 4, 5 or 6 DIAMOND scatter symbols.

The scatter wins are added to the reel way wins.

Number of DIAMOND Symbols	Payout	Number of Spins Awarded
3	2X Total Bet	8
4	10X Total Bet	15
5	50X Total Bet	20
6	1000X Total Bet	50

During the Free Spins Bonus, each WILD symbol included in a winning combination will multiply the payout of that way win by 2 or 3. This is accumulative for each WILD symbol included in that way win.

Land 3, 4, 5 or 6 DIAMOND scatter symbols during Free Spins to be awarded additional Free Spins with the same total bet multiplier awards and Spins as in the base game. Landing 2 DIAMOND scatter symbols will award 5 additional Free Spins with no total bet multiplier award.

BONUS GUARANTEE

If less than 10X the total bet is awarded from both winning combinations during Free Spins and scatter wins from the triggering base game spin, a Bonus Guarantee of 10x total bet is awarded instead of the lower amount previously won.

All Free Spins will be played with the same total bet as the spin that triggered the Feature.

Free Spins will end when there are no Free Spins remaining.

Free Spins will end when the maximum win has been achieved.

Mega Drop

Mega Drop consists of three Progressive Jackpots, these are the Minor, Major and Epic jackpots.

For each spin, a proportion of the player's total bet is contributed towards the Progressive jackpots.

The Mega Drop jackpots each have payout values before which they must drop. By the time the Progressive jackpot reaches its maximum payout amount it will have been awarded to a player.

Progressive jackpots can also be awarded on any wager.

When a Progressive jackpot is awarded, the jackpot amount is reset to a reseed value of approximately 25% of the value paid out.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 24 hours will be cancelled, and the corresponding bet will be refunded.

The theoretical return to player is 96.18%

Malfunction voids all plays and pays.
