

# WILD BILL'S BOUNTIES

## GETTING STARTED

Click on the \$ button to select your stake. This is the bet-per-line multiplied by the number of lines. Pressing the spin button (circular arrow), or spacebar on a computer, will start each new spin.

During each spin, the symbols will fall away and new symbols will fall down and stop at random positions.

A win is credited if the combination of symbols appearing on the reels forms a line of 3, 4 or 5 matching symbols on one of the win lines.

## REEL WINS

All line wins are derived from the number and value of matching symbols and multiplied by the value of the bet-per-line.

Matching the outlaw in a Bounty Poster to the symbols making up a win line will multiply the win by the number shown on the relevant poster ranging from x1.5-x10. This can be triggered alongside the Freespins bonus.

Fill the belt with 6 bullets to win 12 Train Heist Free Spins.

## WANTED & MOST WANTED OUTLAWS

3 outlaws will become either WANTED or MOST WANTED on every main game spin. The outlaws shown will change on every spin.

Matching the outlaws shown to the symbols making up a win line will multiply the win by the number shown on the outlaw symbol under the reels. WANTED outlaws have silver frames and have win multipliers of x1.5 to x4.

Most Wanted outlaws are in gold frames and give multipliers x5 to x10.

## SHARP SHOOTER WILDS

Land 0 bullets on any main game spin and Wild Bill's revolver will shoot 6 random symbols on the reels 2-5 turning them into wilds. This can trigger alongside Wanted and Most Wanted Bounties.

Each symbol that is shot will be turned into a wild.

Wild symbols will substitute for all other symbols. All wins will be paid after all 6 symbols have transformed into wilds.

## COLLECTING BULLETS

During any main game spin, up to 6 bullets can be collected from the reels. If all 6 belt spaces are filled with bullets you will be awarded 12 Train Heist Free Spins.

If less than 6 bullets appear, there is a chance collected bullets will lock in place for the next paid spin. This will give a higher chance collecting all 6 bullets, and therefore triggering the bonus on that subsequent spin.

The total stake cannot be changed for any new spin when bullets are locked.

## TRAIN HEIST FREE SPINS

In the Train Heist Free Spins bonus, all 6 outlaws will be WANTED or MOST WANTED with the usual multipliers on every free spin. These will work as they do in the main game, occasionally switching for MOST WANTED posters with higher multipliers.

There is no way to retrigger more spins in the bonus.

## GAME RECOVERY

In the event of a game in real play being interrupted, (i.e. started but not completed due to connectivity issues or accidentally closing the browser, etc.), depending on the previous state of the game, it will either resume from the point of the last spin or display the outcome of the game already in play.

Any winnings will be correctly credited to the player account and will be exact according to the result prior to the game being interrupted. All results are predetermined.

## RTP

The RTP for this game is 96.00%.
