GAME RULES

Ways wins contain one symbol from each adjacent reel, beginning with the leftmost reel.

The same symbol, or its substitute, in a different position on the same reel pays the Ways win again.

Only highest win is paid for each way symbol combination.

Wins on different played ways are added.

When winning on multiple pay ways, all wins are added to the total win.

Malfunction voids all pays and plays.

243 WAYS

Wins are formed by landing identical symbols on adjacent reels starting from left to right.
