## Features

There are Wild symbols that substitute for other symbols to help create a line win. Using a Wild symbol to complete a line does not incur any extra multiplier other than the win for the symbol(s) it substitutes. Only the highest paying win

on each line will be counted. Hunter Bill symbol (wild Card) Substitutes for any Icon apart from Game logo.

If 3 or more Wild symbols land in view, the “Party Spins” Free Spins feature is triggered. Free Spins continue until there are no Wild symbols in view.

*1 – Vamoose Bonus:* If any 3 matching symbols land on reel 1 they will lock into place. These 3 symbols can then float across the screen horizontally to the right and drop into place on one or more of the other reels 2, 3, 4 or 5 filling the other reels with matching symbols

*2 – Party Spins :* 3 or more Wild symbols in view triggers the Free Spins bonus game. Free Spins features “sliding wilds” and are unlimited, providing a Wild character is in view on the reels. After any win has been paid from the initial spin, the Wilds will slide across the screen to the left. Any Wild on reel 1 is lost as it disappears from view, and the spins will continue until all visible Wilds disappear off the edge of reel 1. Additional Wilds can appear which result in continued Free Spins, lasting as long as there are Wilds in view.

*3 – Rapid Fire:* Triggered at random, The Moose and Hunter Bill animate while the reels are spinning and multiple matching symbols appear over the spinning reels. This feature can also trigger the Wild Spins feature. Triggering Wilds may be stacked on the same reel.
