

Blazing 777

The return to player for this game is 95.00%

Blazing 777 is a 10 game classic themed multislot.

Adjusting the Stake will change the stake per game. Total Stake = Stake value x 10.

You win by matching three of the same symbols on any one game. You can win up to ten prizes.

Blazing 777 plays with a low volatility, but if you get 3 sevens you morph into the volatile 'Blazing Sevens' mode with up to 10 potential jackpot payouts of up to x420.

Getting 3 Green Sevens unlocks 10 'Blazing Sevens' spins, 3 Blue sevens will unlock 15 'Blazing Sevens' spins, and 3 Red sevens gives you 20 'Blazing Sevens' spins.

You can't win more than one set of 'Blazing Seven' spins at anyone time.

You can't win more spins during 'Blazing Sevens'.

Please note that 'Blazing Sevens' mode does not count as free spins, your stake is deducted for each spin.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 23 hours will be completed and the corresponding prize, if any, will be deposited into the account. In the case of a bonus round, only the total winnings from games completed by the player at that time will be deposited into the account.

Malfunction voids all pays and plays.
