

How to Play

Game Introduction

Pearl of the Caribbean features 5 sets of reels which can pay up to 250 win lines, up to 50 lines on each reel set.

The additional upper reel sets become active when the Expanding Wild Pirate symbol appears in full view on the lower reel set.

Pirate Symbol

When the Wild Pirate symbol appears fully in view on the lower reel set, the symbol will expand to fill the reel.

This activates the upper four reel sets and the expanded Pirate Symbol populates the same respective position on each of the upper reels.

Free Spins Bonus

The Free Spins Bonus is triggered when 3 or more scatter symbols appear anywhere in view at the end of a spin.

During Free Spins, any Pirate Symbols partially in view will expand and activate the upper reel sets.

Free Spins use the same award card as the base game spin that triggered the feature.

3 scatter symbols award 8 Free Spins.

4 scatter symbols award 12 Free Spins.

Each additional scatter symbol in view will award an extra 3 Free Spins.

If 3 or more scatter symbols appear on active reels during the Free Spins Bonus, additional Free Spins will be awarded as above.

A Big Bet game consists of 5 linked spins of the reels.

Additional benefits are available at the various stakes and include:

- Wild Pirate Symbol expands when partially in view.
