Wilds Deluxe

Wilds Deluxe is a 5-reel slot game with 10 pay lines. Wins are awarded for adjacent 3, 4 and 5 of a kind symbols.

Vault symbols are wild and substitute for all symbols. If a vault is included in a winning combination, the vault door opens and reveals a win multiplier. If no substitution occurs, a win of x1 bet is paid for each symbol in view.

Vault symbols only appear on reel 3. Vault symbol multipliers are: x1, x2, x3 and x7.

The theoretical average return to player (RTP) is 96%.

GAME RULES

Payouts are made according to the Paytable

All wins multiplied by the bet

Highest win paid per winning combination

Coinciding wins are added

All wins are paid adjacently (left-to-right, right-to-left and the middle 3 reels)

Only positions containing the winning symbol are used in determining the win for that symbol 5 of a kind wins are paid once only

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 24 hours will be cancelled, and the corresponding bet will be refunded.

Malfunction voids all pays and plays
