

Big Bonus

Introduction

Big Bonus is a 6x4, 50 win line slot featuring unlimited Free Spins.

How to Play

Spin the reels by pressing the 'SPIN' button to try to achieve 3, 4, 5 and 6 of a kind reel wins.

Select the 'CHANGE STAKE' button to increase or decrease the size of the bet.

Autoplay

Press the 'AUTOPLAY' button to see the options. You must select the number of autoplay games, and your loss limit, before you have the option of starting the autoplay.

'Custom Loss Limit' refers to how much money you wish to lose before the auto play stops. For example, if you have \$50 in your balance, and you choose a \$20 loss limit, the auto play will stop as soon as your balance goes below \$30, even if you have auto play games remaining.

You can either choose to accept the suggested loss limit, which is your stake multiplied by the number of autoplay games you have selected, or manually type in a loss limit by pressing the 'Custom Loss Limit' button.

Choose the 'More settings' option if you wish to stop the autoplay when you win over a certain amount.

Select the 'AUTOPLAY' button during autoplays to stop them.

Game Rules

All games are played with 50 winlines.

Wins can occur across any or all of the win lines.

Only the highest award is paid per winning combination.

All wins pay left to right on adjacent reels starting with the leftmost reel.

Your winnings will be credited to your account immediately.

You will lose your bet amount if you lose the game.

The wild symbols substitute for all symbols except Bonus

The wild symbol appears on all reels in the base game and on reels 2, 3, 4, 5 and 6 during the free spins bonus.

Features

Free Spins

Landing 3 or more bonus scatters in view triggers the free spins bonus.

A pick me feature will then be presented, each scatter that landed transforms in to a pick option

Behind each pick is a multiplier. This value will become the threshold at which the free spins will exit. The values the windows can contain are 20x, 25x, 30x, 50x and 100x. The probability of each different win multiplier being awarded in the bonus feature is not necessarily proportionate to the number of options on offer

Once a value has been selected free spins will begin. The free spins will continue until a win which is greater than or equal to the value picked is achieved

During free spins any wild symbol that lands in view will lock in place and remain in that position until free spins have ended

Spin Chance

Spin Chance is triggered automatically if the credit is reduced below the current price of play, yet is still greater than zero. Spin Chance offers the player an opportunity to wager their remaining credit in an attempt at winning an additional spin at the current bet.

To play Spin Chance, select the 'PLAY' button to begin moving the pointer across the meter.

Alternatively, select the 'NO THANKS' button to exit Spin Chance with the remaining credit.

If the pointer stops on the green segment, a spin at the current bet is awarded and plays automatically.

If the pointer stops on the red segment, the player loses any remaining credit and exits to the base game.

The red and green segments are proportional to the amount of credit in relation to the current bet. The chance of winning a spin is determined by this ratio.

General Information

Game Recovery

In the event of an unexpected interruption/termination of a real play game, the game will recover to the last known state.

Payback Information

Your odds of getting any particular outcome are always the same. This reflects the theoretical return across a very large number of plays, over an extended period of time.

Any combination of wins in a single game is limited and will not exceed \$250,000.00. It may not be possible to reach this limit in a single game from every stake configuration.

The prizes are paid in accordance with the payout table available on the game interface.

This game has been independently fairness tested.

The expected payback for an individual game cycle in the base game is the maximum of 95.68%

Malfunction voids all pays and plays.
