

Aztec Chief™

Aztec Chief is the second game in the Ultimate Choice Jackpots game family, featuring a 3-level multi Jackpots. The game features short term persist WILD REEL in the base and free games where entire reel becomes WILD for a limited period. Jackpot pick bonus is the true pick bonus where player can win either credit prize or one of jackpots.

1. Base game

- During Base game, collecting 2 COINS on a reel will activate WILD REEL for that reel.
- WILD REEL turns all symbols in WILD for next 2 spins (Bonus symbol turns into Bonus wild).
- 7 Free Spins are awarded by 3 or more Bonus symbols and/or Bonus Wild.
- During base game, any COIN on the screen may trigger JACKPOT PICK BONUS randomly.
- The prizes are paid in accordance with the payout table available on the game interface.
- System malfunction voids all pays and plays.

2. Bonus Games
