

## ABOUT THE GAME

Toshi Video Club is the latest release in the POCKETZ series, our pocket format mobile slots! Toshi Video Club is a 5x5 grid slot featuring a max win of up to 10,000x. ## MULTIPLIERS

This game features a DARUMA multiplier scatter symbol that will multiply your wins. Every DARUMA symbol that lands on the reels together with at least one winning line will reveal a value. The value shown will be either added or multiplied with the current value in the logotype. After every win, the win amount will be multiplied by the current factor displayed in the logotype. If you land two or more DARUMA symbols their values will be applied to the total column by column, starting from top to bottom. Look out for these symbols:

### Small DARUMA

Reveals and adds one of the following adding multipliers: 1x, 2x or 5x

### Medium DARUMA

Reveals and adds one of the following adding multipliers: 10x, 15x or 20x

## Big DARUMA

Reveals and adds one of the following adding multipliers: 25x, 50x or 100x

## Green DARUMA

Multiplies the current total with one of the following revealed values: x2, x3, x4 or x5.

At the start of each base game spin, the multiplier is reset to 1.

## FREE SPINS

Get at least three free spin scatter symbols in the base game to trigger the free spin feature where you get 10 free spins. In this feature all multiplier symbols are added progressively in the logotype for the remainder of the free spins. After each free spin, the win during the current spin will be multiplied by the currently displayed multiplier.
