**Payback Information**

In accordance with fair gaming practices required in most legal jurisdictions worldwide, each and every game outcome is completely independent, except in cases where one spin unlocks a feature for a subsequent spin or series of spins, per the game rules. The odds of getting any particular standard outcome (i.e., not **POWERBUCK\$** related) are always the same.

The standard outcome odds do not vary based on prior outcomes, balance size, time of day, day of week, etc. For example, if the top award is won on a given spin of the game, the chances of winning the top award on the next spin are exactly the same. Likewise, prior losses do not change future odds.

Outcome odds within the **Wheel Bonus** are influenced by the bet amount, but are not otherwise influenced by any external factors.

The expected payback reflects the theoretical return across a very large number of spins by numerous players over an extended period of time.

The expected payback includes the positive effect of the jackpots.

At reset, the **POWERBUCK\$** Progressive is \$1,000,000.00, and the **POWERBUCK\$** Jackpot value is always \$1,000,000.00. For this game, the long-term, theoretically expected payback is 90.33% including **POWERBUCK\$** Progressive or **POWERBUCK\$** Jackpot.

The results for any given player over a play session can vary widely from this long-term, expected average in either direction. The fewer the number of games played, the wider the normal variance of actual payback that may be experienced.

The expected payback value is also based upon correct player choices for any games which involve main game and/or bonus game play strategy.

Excluding the **POWERBUCK\$** Jackpot and Progressive, if applicable, the maximum win on any transaction including the results of any triggered bonus, plus the outcome which launched the bonus, is capped at \$25,000.00.

## POWERBUCKS

Every bet is eligible to win either the **POWERBUCKS** Jackpot or the **POWERBUCKS** Progressive of at least \$1,000,000.00!

- Total bets of \$3.00 or more are eligible to win the **POWERBUCKS** Progressive.

### Ca\$hLink 2 Feature

If a Treasure Chest Scatter Symbol appears on reel 6 and a Wheel of Fortune Coin Scatter Symbol does not appear on reel 1, the **Ca\$hLink 2** feature is triggered. All Coin Scatter Symbols that do not contain a jackpot are assigned a prize value. All revealed prize values and jackpots are awarded to the player.

Prize values and jackpot awards are shown in currency and are not multiplied by any value. More than 1 jackpot may be awarded in the **Ca\$hLink 2** feature.

### Wheel Bonus

A Wheel of Fortune Coin Scatter Symbol appearing on reel 1 and a Treasure Chest Scatter Symbol appearing on reel 5 triggers the **Wheel Bonus**.

When the **Wheel Bonus** is triggered, a **Ca\$hLink 2** prize value is determined. The **Ca\$hLink 2** value is the sum of all Coin Scatter Symbol and Wheel of Fortune Coin Scatter Symbol values on the reels of the triggering spin.

There are 7 pointers available. The number of active pointers is based on the triggering bet amount.

Prize values and multipliers are available on the wheel.

After the wheel stops spinning, all prize values indicated by active pointers are awarded to the player.

When a **POWERBUCKS** wedge is indicated by an active pointer, the indicated **POWERBUCKS** Jackpot or Progressive is awarded.

Prize values are not multiplied by the triggering coin value. Prize values are multiplied by 0.01.

When a multiplier is indicated by an active pointer, the **Ca\$hLink 2** value for that bonus is multiplied.

More than 1 multiplier slice may be indicated by active pointers, in which case the **Ca\$hLink 2** value for that bonus is multiplied by the sum of all indicated multipliers.

Prize values are not multiplied by this multiplier.

Wedges on the wheel are not equally weighted.

### Nudging Wilds and Coins Feature

During the Free Spins Bonus, Wild or Coin Symbols in any position on the reels trigger the Nudging Wilds and Coins feature. Wild or Coin Symbols appearing in any position on the reel may nudge up or down 1, 2 or 3 positions to fill all positions on that reel with that symbol respectively.

Wins are evaluated after all transformations are complete.

### Free Spins Bonus

During the bonus, 3 Free Spins Scatter Symbols appearing anywhere on reels 1, 3, and 5 retrigger the Free Spins Bonus and award an additional 10 free spins.

The bonus can be retriggered multiple times, up to a maximum of 200 free spins per bonus.

Free spins are played at same total bet and same number of paylines as the triggering spin.

If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins.

### POWERBUCKS Rules

The specific payment process is dependent upon the casino's policy on large win disbursement. You may continue to play. Continuing play does not affect the payment of a **POWERBUCKS** Jackpot or **POWERBUCKS** Progressive win.

The amount paid after a verified **POWERBUCKS** Progressive win is approximately the amount seen on the **POWERBUCKS** Progressive meter when the win occurs. Potentially, the actual amount paid for a **POWERBUCKS** Progressive win could be somewhat higher because of communication and display delays.

In an exceptionally rare case, the win value could be the **POWERBUCKS** Progressive seed amount if another player's winning outcome is received by the central server immediately prior to another player's winning outcome. It is theoretically possible for this to occur even though the **POWERBUCKS** Progressive meter did not yet display the meter reset caused by the first player's win. The order of winning is solely determined by the timestamp applied to each transaction request upon receipt by the jackpot server.

All applicable taxes and fees in connection with any winnings awarded to you and any other payments are the sole responsibility of the player. Winnings cannot be transferred, substituted, or redeemed for any other consideration.

The casino or **POWERBUCKS** administrator may deactivate this game and/or its linked Jackpot and/or Progressive at any time.
