

POWERBUCK\$ Wheel of Fortune® Exotic Far East

Play ***POWERBUCK\$ Wheel of Fortune® Exotic Far East*** for a chance to become a millionaire on any spin!

The exotic treasures of the Far East are yours for the taking! Get ready for the chance to earn riches on each and every spin with the amazing *Ca\$hLink* feature, which instantly awards cash values.

Trigger the *Wheel Bonus* and spin the iconic wheel to win cash values, a *Ca\$hLink* multiplier, or the ***POWERBUCK\$*** jackpot or progressive!

The higher your bet, the better your odds of winning ***POWERBUCK\$!***

How to Bet

POWERBUCK\$ Wheel of Fortune® Exotic Far East features 30 paylines for 75 coins.

Bet Configuration Menu (mobile/tablet)

Press the arrow to open the bet configuration menu.

Press the check mark to confirm and close the bet configuration menu.

Coins

Displays the current number of coins being played.

Betting is fixed at 30 paylines, which costs 75 coins.

Coin Value

Displays the current coin value shown in currency.

Total Bet

Press the minus button (-) to decrease the total bet.

Press the plus button (+) to increase the total bet.

Press TOTAL BET to open the bet selection menu.

Spin

Press the circular arrow to submit the bet and spin the reels.

Auto Spin Feature

Auto Spin plays the game automatically for a given number of spins at the current coin value and number of paylines selected.

For jurisdictions where Auto Spin is enabled: Select the number of auto spins, the loss limit, and the (optional) single win limit.

After selecting the desired bet configuration, press **AUTO SPIN**, and choose how many spins to play at the current bet settings.

Auto Spin plays the specified number of spins until **STOP** is pressed, a bonus is triggered, the balance is insufficient to spin, or any enabled win/loss limit settings are reached.

Auto Spin is only available in approved jurisdictions.

POWERBUCK\$

Every bet is eligible to win either the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive of at least \$1,000,000!

- Total bets of \$3.00 or more are eligible to win the **POWERBUCK\$** Progressive.
- Total bets less than \$3.00 are eligible to win the **POWERBUCK\$** Jackpot.

The **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive can only be won in the *Wheel Bonus*.

The chance of winning the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive is linearly proportional to the size of the bet.

Ca\$hLink Feature

If a Treasure Chest symbol lands on reel 5 and a Wheel of Fortune coin symbol does not land on reel 1, then all Coin symbols for that spin are assigned a cash value and all cash values are awarded to the player.

Cash values are not multiplied by the coin value.

Wheel Bonus

A Wheel of Fortune coin symbol on reel 1 and a Treasure Chest symbol on reel 5 trigger the *Wheel Bonus*.

When the *Wheel Bonus* is triggered, a *Ca\$hLink* cash value is determined. The *Ca\$hLink* value is the sum of all Coin symbol and Wheel of Fortune coin symbol values on the reels of the triggering spin.

There are seven pointers available. The number of active pointers is based on the triggering bet amount.

Cash values, jackpots, and multipliers are available on the wheel.

After the wheel stops spinning, all cash values and jackpots indicated by active pointers are awarded to the player.

Cash values are not multiplied by the triggering coin value.

When a multiplier is indicated by an active pointer, the *Ca\$hLink* value for that bonus is multiplied.

More than one multiplier slice may be indicated by active pointers, in which case the *Ca\$hLink* value for that bonus is multiplied by the sum of all indicated multipliers.

Cash values and jackpots are not multiplied by this multiplier.

Wedges on the wheel are not equally weighted.

Free Spins Bonus

Three Free Spins scatter symbols anywhere on reels 1, 3, and 5 trigger the *Free Spins Bonus* and award 10 free spins.

During the bonus, three Free Spins scatter symbols anywhere on reels 1, 3, and 5 retrigger the *Free Spins Bonus* and award an additional 10 free spins.

The bonus can be retriggered multiple times, up to a maximum of 200 free spins per bonus.

Free spins are played at the same total bet and same number of paylines as the triggering spin.

Rules

Misuse or malfunction voids all pays and plays.

All line win symbols must appear on a played line and on consecutive reels, beginning with the leftmost reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Free Spins scatter symbols appear on reels 1, 3, and 5 only in the base game and the *Free Spins Bonus*.

Bonus wins are independent from line wins and are added to the total amount paid.

Wild symbol appears on reels 2, 3, 4, and 5 only in the base game and the *Free Spins Bonus*.

Treasure Chest symbol appears on reel 5 only in the base game and the *Free Spins Bonus*

Wheel of Fortune coin symbol appears on reel 1 only in the base game.

Coin symbol appears on reels 1, 2, 3, and 4 only in the base game and the *Free Spins Bonus*.

Wins are shown in currency.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 30 days will be cancelled, and the corresponding bet will be refunded.

In some jurisdictions, regardless of bet size, there is an award cap on any single transaction. See the paytable for details. A transaction includes the results of the bonus, plus the outcome which launched the bonus, but does not include the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins.

POWERBUCK\$ Rules

For total bets less than \$3.00, only the **POWERBUCK\$** Jackpot is eligible to be won (not the **POWERBUCK\$** Progressive).

For total bets of \$3.00 or more, only the **POWERBUCK\$** Progressive is eligible to be won (not the **POWERBUCK\$** Jackpot). The probability of winning a **POWERBUCK\$** Progressive is proportional to the total bet size.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not available in free play mode.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not subject to an award cap.

Upon winning the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive, a message appears to indicate that customer service will be in contact within 24 hours with payout details. The win verification process may take up to 72 hours, during which time the win amount will not be reflected in the player's account balance. The specific payment process is dependent upon the casino's policy on large win disbursement. You may continue to play. Continuing play does not affect the payment of a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win.

The amount paid after a verified **POWERBUCK\$** Progressive win is approximately the amount seen on the **POWERBUCK\$** Progressive meter when the win occurs. Potentially, the actual amount paid for a **POWERBUCK\$** Progressive win could be somewhat higher because of communication and display delays.

In an exceptionally rare case, the win value could be the **POWERBUCK\$** Progressive seed amount if another player's winning outcome is received by the central server immediately prior to another player's winning outcome. It is theoretically possible for this to occur even though the **POWERBUCK\$** Progressive meter did not yet display the meter reset caused by the first player's win. The order of winning is solely determined by the timestamp applied to each transaction request upon receipt by the jackpot server.

All applicable taxes and fees in connection with any winnings awarded to you and any other payments are the sole responsibility of the player. Winnings cannot be transferred, substituted, or redeemed for any other consideration.

The casino or **POWERBUCK\$** administrator may deactivate this game and/or its linked Jackpot and/or Progressive at any time.

The **POWERBUCK\$** administrator or casino may increase or decrease the size of the **POWERBUCK\$** Progressive win by contributing or removing money at any time.

The **POWERBUCK\$** Progressive meter represents an increasing top award where the rate of growth is based on a fixed proportion of all bets and any additional funds added by the **POWERBUCK\$** administrator.

Additional Information

Lost Connection During **POWERBUCK\$** Jackpot or Progressive Win

In the unlikely event of a lost connection or game reset during a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive triggering event, the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive will be awarded.

Notification of the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win will appear on the game screen when the game is reloaded, and the win will not be reflected in the player's account balance. Any standard wins will be reflected in the account balance. Continued play, whether in this game or any other, does not affect the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive payout. Customer Service will be in contact within 24 hours with the payout details. The win verification process may take up to 72 hours.

Expected Payback

In accordance with fair gaming practices required in most legal jurisdictions worldwide, each and every game outcome is completely independent, except in cases where one spin unlocks a feature for a subsequent spin or series of spins, per the game rules. The odds of getting any particular standard outcome (i.e. not **POWERBUCK\$** related) are always the same.

The standard outcome odds do not vary based on prior outcomes, balance size, time of day, day of week, etc. For example, if the top award is won on a given play of the

game, the chances of winning the top award on the next play are exactly the same. Likewise, prior losses do not change future odds.

Outcome odds within the *Wheel Bonus* are influenced by the bet amount, but are not otherwise influenced by any external factors.

The expected payback reflects the theoretical return across a very large number of plays by numerous players over an extended period of time.

The expected payback includes the positive effect of the jackpots.

The larger the jackpot, the larger the expected return.

The expected payback reflects the theoretical return across a very large number of spins by numerous players over an extended period of time. For this game, the long-term, theoretically expected payback is 90.33%. Wagers less than \$3.00 are not eligible to win the **POWERBUCK\$** Progressive. For wagers of \$3.00 or higher that are eligible to win the **POWERBUCK\$** Progressive, the theoretically expected payback is higher relative to the current value of **POWERBUCK\$** Progressive meter. The results for any given player over a play session can vary widely from this long-term, expected average in either direction. The fewer the number of games played, the wider the normal variance of actual payback that may be experienced.
