- To play Spin Chance, select the 'PLAY' button to begin moving the pointer across the meter.
- Alternatively, select the 'NO THANKS' button to exit Spin Chance with the remaining credit.
- If the pointer stops on the green segment, a spin at the current bet is awarded and plays automatically.
- If the pointer stops on the red segment, the player loses any remaining credit and exits to the base game.
- The red and green segments are proportional to the amount of credit in relation to the current bet. The chance of winning a spin is determined by this ratio.
