GAME RULES

FREE SPIN BONUS

Three Free Spin Bonus symbols landing on payline 7 trigger the bonus, awarding 8 free spins. Free spins can retrigger, awarding 8 additional spins. Maximum number of spins is 32. During the free spins, reels are weighted differently, and the Diamond Money symbol appears more frequently. The odds of winning the Free Spin Bonus are the same for bets less than or equal to 60 credits and are the same for bets greater than or equal to 90 credits. The odds of winning the Free Spin Bonus at bets less than or equal to 60 credits will vary from the odds of winning the Free Spin Bonus at bets greater than or equal to 90 credits.

SYMBOL TRIGGERED JACKPOTS

Diamond Money symbol is a scatter symbol. At a bet of 90 or above, progressive jackpots are available. Progressive jackpot prizes increase as the bet is increased. Each progressive jackpot tier shares a contribution pool between all bet levels. An increasing flat pay is added to each tier by bet level. When 3 to 9 Diamond Money symbols land scattered on the reels, the corresponding progressive jackpot tier is awarded. Only the highest triggered progressive jackpot tier is paid per spin. At a bet of 30 or 60, when 3 to 9 Diamond Money symbols land scattered on the reels, the corresponding flat pay jackpot is awarded. The Free Spin Bonus cannot be awarded on the same spin as a jackpot or progressive jackpot win.

Progressive tiers are funded by a percentage of all wagers.
