

Welcome to DEAL OR NO DEAL WORLD SLOT MEGAWAYS™, featuring BANKER'S BEST OFFER, BANKER'S FREE SPINS, a 3 tier JACKPOT GAME and classic DEAL OR NO DEAL.

SCATTER WINS

Land 3 or more bonus scatter symbols and the scatter prize game will start. You must click to pick the scatter symbols, you will be awarded an instant cash prize of between x1 and x10 your stake, or any of the bonus features or any 1 bonus. Picking will continue until you are awarded a bonus feature.

BANKER'S BEST OFFER

The Banker will make you a series of cash prize offers. You must decide whether to accept the offer or reject it in favour of the next one. Each offer can be between x1 and x20 the total bet, or the Banker can offer bonus games, either Banker's Free Spins or Deal or No Deal bonus.

If you reject all offers you will auto-accept the final one.

BANKER'S FREE SPINS

On each free spin every winning cascade will increase the total win multiplier by +1. The total win multiplier will be maintained throughout all free spins.

Free spins will end when the KILLER symbol lands on reel 6 (The Banker's silhouette). At this point, the Banker will award a spin with GUARANTEED MAX WINS!

BOX 23

At the end of free spins, you will be given the opportunity to either collect your winnings, or gamble them for the contents of Box 23. You will get 3 chances to take the gamble, the contents of the box can be any of the following:

- DOUBLE: Doubles your current winnings.
- +50%: Increases your winnings by 50%.
- +25%: Increases your winnings by 25%.
- MONEY BACK: No change to your current winnings.
- HALF WIN: Decreases your winnings by 50%.
- LOSE ALL: You lose all free spin winnings and any remaining gambles.
- Gamble will be only played on the free spins win.

If you do not win during free spins you will not be offered Box 23.

DEAL OR NO DEAL

A classic game of Deal or No Deal. Start by picking a lucky box, then eliminate boxes from the shelves. At the end of each round of box picking, the Banker will make you an offer for your box and you must decide to take the cash offer (Deal) or continue to the next round (No Deal). If you continue to choose No Deal and only your lucky box remains, then you will win the contents of your lucky box. If you have won your lucky box and it contains the JACKPOT you will get to play the JACKPOT GAME.

JACKPOT GAME

The game contains a 3 tier JACKPOT that is based on your total bet. The possible wins are MINOR: x50, MAJOR: x250 and GRAND: x2,500.

The JACKPOT GAME can be won in several ways:

- Directly from the scatter picker in the base game.
- As an offer in the BANKER'S BEST OFFER.
- From the top prize paddle (GOLD) in the Deal or No Deal game.

DEAL OR NO DEAL WORLD SLOT MEGAWAYS™

GETTING STARTED

- Click on the stake selector button to choose your bet. This is the round button with the dollar sign.
- The stake shown is the Total Bet and is the bet-per-line multiplied by the number of lines.
- Click on the menu button to access the pay table, which shows the potential winnings for each reel combination and information about the game. The menu button is the round button with 3 lines in it, from here the pay table is opened by pressing the round button with the letter 'I' in it.
- Press the 'SPIN' button to start the game. This is the big round button with the circular arrow symbol.

HOW TO PLAY

- The reels will spin and stop at random positions.
- If the combination of symbols appearing on the reels includes the same symbol on enough adjacent reels starting from the leftmost reel, then you win.
- Each reel can land between 2 and 7 symbols. This will be random on each spin.
- All line wins are derived from the number and value of matching symbols and multiplied by the value of the bet. All winning ways are added together to form the total win.
- The top symbol and low symbol J will win on between 2 and 6 matches, all other symbols require 3 or more matches. Wilds substitute for all symbols except bonus symbols. Wild can only land on reels 2,3,4,5,6.
- Any winning symbols you have will be highlighted and your winnings will be credited to your account balance, then the winning symbols will be removed and new ones will drop in. If the new symbols make new wins then these will be credited. This sequence will continue until no new wins have been made.
- On any result, finishing with 3 or more bonus symbols (phone) will award the bonus.

MEGAWAYS™

- This Megaways™ slot can produce up to 7 symbols on each reel per spin for a total 117,649 possible ways to win.
- Wins are awarded left to right adjacent symbols regardless of size.
- Payouts are multiplied by total bet.

MAX WAYS

At random, on any spin the game may award "MAX WAYS". When this happens all reels will contain 7 symbols and the maximum number of ways will be possible.

INSTANT SCATTER PRIZE

If 3 or more bonus scatter symbols are landed, you will win a bonus. Any reel wins will be resolved and then you will be required to pick a scatter symbol to reveal a prize.

Some scatter symbols contain an instant cash prize of between x1 and x10 your stake. Other contain a bonus feature award. You must keep picking until you are awarded a bonus feature. Cash prizes revealed will be added to the total game round win.

BANKER'S BEST OFFER

The Banker will make you a maximum of 10 cash offers. Each offer will be between x1 and x20 your total bet, or could be either Banker's Free Spins or Deal or No Deal bonus.

When an offer is shown you must decide whether to accept it (DEAL) or reject it (NO DEAL).

Accepting the offer will award the prize shown and end the game. Rejecting it will move on to the next offer.

If you reject all offers you will be awarded whatever the 10th prize offer is.

Optimal cash out is 17x total bet or higher.

BANKER'S FREE SPINS

"Unlimited" Free Spins that will increase the win multiplier by x1 on every winning cascade.

Free spins are ended when you land the KILLER symbol on reel 6.

When the KILLER symbol ends free spins, the Banker will award you one additional final spin with guaranteed MAX WAYS.
