

## CRYSTAL FOREST HD

### Base Game

- WILD is wild for all symbols and appear on reels 2-5.
- Paytable reflects current bet configuration.
- Line pays must occur on adjacent reels, beginning with the leftmost reel.
- Only highest winner paid per winning combination.
- MIXED is a standard line pay using a variety of the symbols: FAIRY, UNICORN, BUTTERFLY, LADYBUG & MUSHROOM.

### Feature Description

- 4 or more consecutive cascades trigger the Feature.
- 4 consecutive cascades award 7 free plays.
- 5 consecutive cascades award 10 free plays.
- 6 consecutive cascades award 15 free plays.
- 7 consecutive cascades award 25 free plays.
- 8 or more consecutive cascades award 50 free plays.
- During the Feature, an alternate set of reels is used.
- The bet per line and the active paylines remain the same as the play that triggered the Feature.
- Winning combinations for these reels are identical to the base game.
- During free plays, 4 or more consecutive cascades add additional free plays to the amount of free plays remaining.
- The Feature may also trigger randomly at the end of a play that does not trigger the Feature and awards 7 free plays.
- Click the Start Feature button to start the free spins.

### Cascading Reels

- During each game, reel symbols fall into position from above.
- After winning combinations are paid, symbols in payable-defined combinations disappear.
- Remaining symbols drop and new ones cascade into play.
- Any new winning combinations formed are paid.
- This process continues until no new payable-defined combinations are formed.

### PAYLINES

- Wins on multiple paylines are added together.
  - Total line bet must be divided equally between each active payline; therefore, all total bet amounts are not available.
  - The total bet is the number of lines multiplied by the cash bet on each line.
  - Only active paylines can register wins.
  - The prizes are paid in accordance with the payout table available on the game interface.
- Malfunction voids all pays and plays.
