The Operator reserves the right to withhold winnings and void wagers if a Player manipulates the games in a fraudulent manner or the Gaming System itself malfunctions.

The definition of such a malfunction extends to an error in the published odds or pay tables, or a game not working in accordance with its published rules.

Malfunction voids all plays and pays.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 24 hours will be completed and the corresponding prize, if any, will be deposited into the account.
