

Medusa Queen of Stone

Seek fortunes with ***Medusa Queen of Stone***, where the wilds catch fire and spread across the reels! When Medusa appears, she turns all adjacent Soldier Symbols into fiery wilds. During the *Free Spins Bonus*, choose your path to riches and witness Medusa's guaranteed transformation on every spin!

How to Bet

Medusa Queen of Stone features 30 paylines.

Bet Settings Menu

Press the cog or TOTAL BET to open the Bet Settings menu.

Coins

Displays the current number of coins being played.

Betting is fixed at 30 paylines.

Coin Value

Displays the current coin value shown in currency.

Total Bet

Displays the current total bet shown in currency. Change by selecting the desired total bet.

On desktop devices, optionally press the minus button (-) to decrease the total bet or press the plus button (+) to increase the total bet.

Press OK to confirm and close the Bet Settings menu.

Spin

Press the circular arrow to submit the bet and spin the reels.

Auto Spin Feature

Auto Spin plays the game automatically for a given number of spins at the current coin value.

For jurisdictions where Auto Spin is enabled: Select the number of auto spins and where available, the loss limit, and the (optional) single win limit.

After selecting the desired bet configuration, press **AUTO SPIN**, and choose how many spins to play at the current bet settings.

Auto Spin plays the specified number of spins until **STOP** is pressed, a bonus is triggered, the balance is insufficient to spin, or any enabled win/loss limit settings are reached.

Auto Spin is only available in approved jurisdictions.

Expanding Wild Feature

After the reel spin in the base game or in the *Free Spins Bonus*, Medusa Symbols in any position on the reels expand downward and transform symbols into Medusa Symbols. Medusa Symbol is Wild and substitutes for all symbols except for the Bonus Symbol.

Soldier Symbols vertically and horizontally adjacent to any Medusa Symbols transform into Wild Symbols. Soldier Symbols vertically and horizontally adjacent to any ignited Wild Symbols also transform into ignited Wild Symbols.

Wins are evaluated after all transformations are complete.

Free Spins Bonus

The *Free Spins Bonus* is triggered when 3 Bonus Scatter Symbols appear on reels 1, 3, and 5 in the base game.

Select the number of free spins with multiplier from the following options to start the bonus:

Number of Free Spins	Multiplier Awarded
12	1x
6	2x
4	3x

During each free spin, a fiery frame appears around 1 random reel. After the reel spin, the reel transforms into a Medusa Symbol.

Wins are evaluated after all transformations are complete.

During the *Free Spins Bonus*, 3 Bonus Scatter Symbols appearing on reels 1, 3, and 5 award additional free spins at the same number and multiplier as the initial selection. If the number of awarded spins is greater than 600 and the trigger combination appears again, no additional free spins are awarded. Additional free spins are awarded even if appearing on a reel that is transformed into a Medusa Symbol.

Reels used in the *Free Spins Bonus* are different from the reels used in the base game.

Free spins are played at same coin value and same number of paylines as the triggering spin.

The *Free Spins Bonus* ends when 0 free spins remain or after 600 free spins have been played.

Options

All Sound

- Toggle game sounds on or off.

Rules

Misuse or malfunction voids all pays and plays.

The prizes are paid in accordance with the payout table available on the game interface.

All line win symbols must appear on a played line and on consecutive reels, beginning with the far-left reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Bonus wins are independent from line wins and are added to the total amount paid.

Bonus Symbols appear on reels 1, 3, and 5 in the base game and *Free Spins Bonus*.

Ignited Wild Symbol is wild and substitutes for all symbols except Bonus Symbol.

Medusa Symbol is wild and substitutes for all symbols except Bonus Symbol.

Wins are shown in currency.

In some jurisdictions, regardless of bet size, there may be an award cap on any single transaction. See the paytable for details. A transaction includes the results of the bonus, plus the outcome which launched the bonus. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins.

Any game in progress for more than 30 days will be cancelled, and the corresponding bet will be refunded.
