

## **GAME RULES**

- 1 Million MegaWays™ BC is a 6-reel (7 during Free Spins), 2 to 7-row video slot with win ways from 64 to 117649 (128 to 1058841 during Free Spins), featuring Wilds, Sticky Wilds, Free Tumbles and incremental multipliers.
- Not all functions listed in the help file are available in all jurisdictions. This help file may mention functions that are not available to you.
- You play a fixed 20 coins per spin, the total bet value is shown on the bet control.
- Win ways pay from left to right.
- Wins for this game are capped at 45000x stake
- Any further wins after reaching the maximum win will not be awarded.
- The spin button plays the game at the currently shown bet value.
- Wins are calculated by: counting the number of consecutive reels starting from the leftmost reel with matching symbols and multiplying the relative multiplier, shown in the payable, by the product of the number of matching symbols on each reel.
- Wild symbols count as all other symbols.
- Sticky Wild symbols count as all other symbols.
- The prizes are paid in accordance with the payout table available on the game interface.
- Any game in progress for more than 23 hours will be completed and the corresponding prize, if any, will be deposited into the account. In the case of a bonus round, only the total winnings from games completed by the player at that time will be deposited into the account.
- System malfunction voids all pays and plays.

## **BASE GAME MULTIPLIER**

- After the first winning tumble, the base game multiplier will be set to x2. Every successive win increments the multiplier +2.
- Maximum multiplier is x8.
- Multiplier resets at the end of a winning sequence.
- Multiplier resets when Free Spins start.

## **FREE SPINS**

- Freespins are reached by having multiple successive tumbles. A minimum of 4 tumbles is required to trigger 8 Free Spins.
- During Normal play, each extra successive win after 4 awards 2 extra Free Spins, up to a maximum of 14.
- When the reels tumble after a win you are also awarded an additional x1 multiplier Additional central 'Mammoth' reel with up to 9 symbols appears when entering Free Spins. During Free Spins, reels with 7 symbols lock at that number of symbols for the entirety of the Free Spins Feature. Each locked reel awards 1 additional Free Spin.
- During Free Spins, the central reel with 9 symbols locks at that number of symbols for the entirety of the Free Spins Feature, and awards 5 additional Free Spins.

- During Free spins, when a reel locks it also awards 1 additional multiplier per reel.
- The current multiplier applies to any win earned while that multiplier is in effect, increases will affect all subsequent wins.
- Multiplier resets at the end of Free Spins.
- The game uses different reel sets for free spins and the base game.

## **STICKY WILD**

- Sticky Wilds can only appear on the central 'Mammoth' reel once it locks at 9 symbols during Free Spins.
- Sticky Wilds stay on the reels while spinning.
- Sticky Wilds can tumble down the reel, and will stick in their new position.
- Up to 9 Sticky Wilds can appear on the central 'Mammoth' reel. Wilds substitute all other symbols.
