GAME RULES

BLACK DIAMOND SYMBOL

The Black Diamond symbol is wild and substitutes for any symbol except the Platinum Spins symbol or Multipliers to make a winning combination.

FIXED MULTIPLIER SYMBOLS

Multipliers multiply winning combinations except progressives. Two or more multipliers on a payline multiply together and multiply the winning combination. The maximum total multiplier for a winning combination is 30X. 2X multipliers are available on 777, 77, 7, Double Bar, and Single Bar symbols. 3X multipliers are available on 7 and Single Bar symbols. 5X multipliers are available on 777, 77 and Double Bar symbols.

SYMBOL TRIGGERED PROGRESSIVES

Progressives are available at max bet only. Progressive triggering symbols must land on active paylines to award progressives. During the base game, at max bet, when three Black Diamond symbols land on payline 9, the top Base Game Progressive is awarded. When three Black Diamond symbols land on paylines 1 to 8, the bottom Base Game Progressive is awarded.

During the Platinum Spins Bonus, at max bet, when three Black Diamond symbols land on payline 9, the top Platinum Spin Progressive is awarded. When three Black Diamond symbols land on paylines 1 to 8, the bottom Platinum Spin Progressive is awarded.

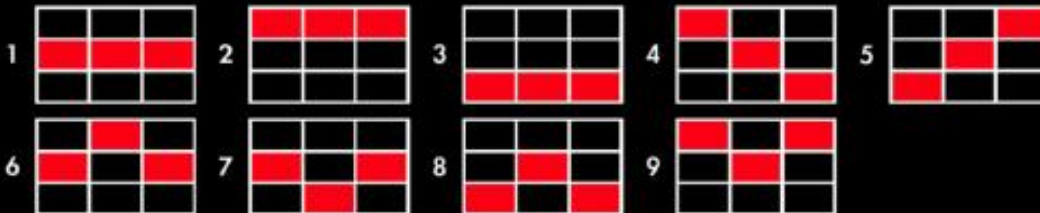

At less than max bet, flat prizes are awarded. Prizes are multiplied by bet multiplier. During base game, three Black Diamond symbols on payline 9 awards 2,000 credits and three Black Diamond symbols on payline 1 to 8 awards 200 credits. During Platinum Spins, three Black Diamond symbols on payline 9 awards 5,000 credits and three Black Diamond symbols on payline 1 to 8 awards 700 credits.

Progressive tiers are funded by a percentage of all wagers.

PLATINUM SPINS

When the Platinum Spins symbol lands on reel 3, the Platinum Spins Bonus is triggered and the player is awarded 3 free spins. During the free spins, the Platinum Spins Progressives are not activated. The Base Game Progressives are not available during the free spins. If the Platinum Spins symbol lands during the free spins, an additional 3 spins are awarded. The maximum number of spins is 30. Reels are weighted differently during the Platinum Spins bonus. The Platinum Spins bonus, and progressive or flat prizes cannot be triggered on the same spin.
