## HIGHLIGHTS

Fishing Bob 1024 Ways is a 5x4 grid all ways pay game.

Win Jackpots, multipliers up to 5x on eligible symbols, bonus spins, or the Bobber Bonus!

Wins pay left to right on consecutive reels starting with the leftmost reel.

Only the highest win is paid on each successful way.

## BONUS PICK

At least one bonus symbol on each of Reels 1, 2, and 3 initiates a Bonus Pick.

Win \$80.00 to \$190.00 times the number of initiating ways.

Pick the Bobber Bonus or Fishing Bob's Bonus Spins.

A win value is awarded, the Bobber Bonus or Fishing Bob's Bonus Spins begins, and the Bonus Pick ends.

Only one Bonus Pick can be initiated per game.

The Bonus Pick is not available during Bonus Spins.

## BOBBER BONUS

Selecting Bobber Bonus during the Bonus Pick initiates the Bobber Bonus.

Pick the Lake Michigan, Lake of the Woods, or Yellowstone River location to win 2, 3, or 4 bobber picks. For each bobber selected, 2 to 4 items are pulled from Bob's net.

Each item awards a value of \$20.00 to \$1,150.00 times the number of initiating ways, or the Golden Fish trophy.

The Golden Fish trophy awards the Bear, Wolf, or Eagle Bonus for the Lake Michigan, Lake of the Woods, or Yellowstone River location, respectively. Only one Golden Fish trophy may be awarded per bonus.

The Bobber Bonus ends and the Bear, Wolf, or Eagle Bonus begins, if awarded, when no items remain in Bob's net.

## BEAR BONUS

Selecting the Lake Michigan location and finding a Golden Fish trophy in the Bobber Bonus initiates the Bear Bonus.

Win a value of \$400.00 to \$2,000.00 times the number of initiating ways.

Select a picnic basket until the Golden Fish trophy is chosen. Each picnic basket contains a multiplier of 1x to 5x or the Golden Fish trophy. Win a value times the last selected multiplier. If the Golden Fish trophy is chosen first, the multiplier is 1x.

The total bonus win is awarded and the Bear Bonus ends.

## WOLF BONUS

Selecting the Lake of the Woods location and finding a Golden Fish trophy in the Bobber Bonus initiates the Wolf Bonus.

Win a value of \$400.00 to \$1,600.00 times the number of initiating ways.

Select a wolf until the Golden Fish trophy is chosen. Each wolf contains a value and may contain the Golden Fish trophy. Win the total value of the selected items.

The total bonus win is awarded and the Wolf Bonus ends.

## EAGLE BONUS

Selecting the Yellowstone River location and finding a Golden Fish trophy in the Bobber Bonus initiates the Eagle Bonus.

Win a value of \$320.00 to \$1,250.00 times the number of initiating ways.

Select an eagle. Each eagle contains a value offer and may contain the Golden Fish trophy. Select "Accept" to accept the current offer or "Try Again" to reject the current offer and choose another eagle. If 2 offers have been rejected, the next offer is awarded.

Although individual results may vary, the best overall strategy is to follow Bob's recommendation.

The Eagle Bonus ends and the total bonus win is awarded when an offer is accepted, if the Golden Fish trophy is selected, or after 3 offers have been made.

## FISHING BOB'S BONUS SPINS

Selecting Fishing Bob's Bonus Spins during the bonus pick initiates 5 bonus spins.

Bonus spins are played at the active total stake.

A bonus symbol in any position on each of Reels 1, 2, and 3 awards 5 extra bonus spins.

If more than one combination per spin awards extra bonus spins, the sum of the extra bonus spins for all winning combinations is awarded at once.

The total Fishing Bob's Bonus Spins win is multiplied by the number of initiating ways from the game that initiated the bonus pick.

The bonus ends when 0 bonus spins remain or after 240 bonus spins have been played. Different reels are used during bonus spins.

## MULTIPLIER FEATURE

Red fish, orange fish, yellow fish, and purple fish symbols may appear with "5x" or "3x".

Symbols containing "5x" or "3x" substitute for their respective symbols without 5x or 3x.

If a symbol containing "5x" substitutes in a win, the pay for that win is multiplied by 5x.

If a symbol containing "3x" substitutes in a win, the pay for that win is multiplied by 3x.

"5x" and "3x" appear on Reel 3 only.

## JACKPOTS

For each spin, "Jackpot" may appear over any symbol on a reel except the bonus symbol.

Symbols containing "Jackpot" substitute for their respective symbols without "Jackpot."
