The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress will be completed after 30 days and the corresponding prize, if any, will be deposited into the account. In the case of a bonus round, only the total winnings from games completed by the player at that time will be deposited into the account. In the event that a game in progress cannot be completed for any reason or if a choice that may have an impact on the outcome of the game is required, the game will be cancelled and the corresponding bet will be refunded.

Wins are shown in currency, not in credits.

Your skills and the choices you make during the game have no effect on the outcome of the game or your chances of winning a prize.
