Best Strategy

The best strategy for Deal or No Deal Slingo dictates that you should always complete at least your 10 spins, plus any free spins accumulated, and open your box.

The best strategy for positioning jokers and super jokers is always in the position that will move you closest to completing a Slingo.

Where multiple positions with the same criteria exist again a random choice is made.

For example the central square would be given preference since it is included in a horizontal, vertical and two diagonal lines.

Pending Games

Any game in progress for more than 3 hours will be completed and the corresponding prize, if any, will be deposited into the account. If a choice that may have an impact on the outcome of the game is required, the game will be completed on the basis of a random choice from among those offered.
