About

Happy Holidays is a slot game with a double ended bonus trail and Happy Return multipliers using the Happy Returns™ mechanic.

Game Rules

Playing

- Press the spin button to play the game.
- Select your bet size on the stake interface.
- Press the Autoplay icon to open the autoplay settings (if applicable).
- The game panel will display your current bet, current win, and current balance.
- Turn on turbo mode to play out the game faster (where applicable).

Happy Returns™ Multipliers

- A win threshold and win multiplier are selected on each spin.
- A line win over the win threshold will be increased by the Happy Return multiplier.
- Happy Return multipliers apply to line wins only.

Happy Returns™ Bonus Trails

- Arrow symbols can land on the reels showing 4, 3, 2 or 1. The player is moved along the trail in the direction of the arrow by the number displayed.
- Multiple arrows landing on a single spin are added together.
- Reaching stages 8, 9 or 10 of either trail after all arrows have been dealt with awards a bonus.
- Reaching stage 4 on a trail awards a trail boost to move you further along the trail.

Happy Holiday Free Spins

- Ending a spin on stage 10 of a trail awards 10 Happy Holiday Free Spins.
- In Happy Holiday Free Spins all spins are increased by a Happy return multiplier.
- Additional spins can be awarded by moving along the trails.
- Arrows move along the left and right trails independently without moving backwards.

Easter Bunny's Egg Heist

- Ending a spin on stage 9 of the left trail awards the Easter Egg Heist Bonus.
- Select squares to move around the compound and find eggs to reveal cash prizes.
- The cumulative total of all cash found is awarded at the end of the bonus.
- Continue to select squares until one of the following is revealed:
- Easter Bunny - reveals a multiplier that is applied to the total win and ends the game.
- CCTV - ends the game.

Cupid's Love Meter

- Ending a spin on stage 8 of the left trail awards the Love Meter Bonus.
- Starting on the lowest level the player selects blocks to reveal cash, multipliers or arrows.
- Cash - adds the revealed amount to the win.
- Multiplier - the total win at the point it is revealed is multiplied by the value.
- Arrow - moves the player up to the next level on the love meter.
- Each level of the Love Meter is more valuable with players continuing to select blocks on each level until an arrow is found.
- The game continues until the player reaches the top of the meter.

Santa's Sleigh Escape

- Ending a spin on stage 9 of the right trail awards the Sleigh Escape Bonus.
- Select houses to move around and find presents to reveal cash prizes.
- The cumulative total of all cash found is awarded at the end of the bonus.
- Continue to select houses until one of the following is revealed:
- Sleigh - reveals a multiplier that is applied to the total win and ends the game.
- Santa - ends the game.

Jack O'Lantern's Trick or Treat

- Ending a spin on stage 8 of the right trail awards the Trick or Treat Bonus.
- Starting on the lowest level the player selects doors to reveal cash, multipliers or arrows.
- Cash - adds the revealed amount to the win.
- Multiplier - the total win at the point it is revealed is multiplied by the value.
- Arrow - moves the player up to the next street.
- Each street is more valuable with players continuing to select doors on each level until an arrow is found.
- The game continues until the player reaches the top of the highest value street.

Rules

- Only the highest win per line is paid.
- Wins on distinct lines are added.
- All line wins pay in succession from leftmost to right only.
- Wins are multiplied by the current base stake.
- Wild substitutes for all symbols except for bonus.

Return to Player

- The overall theoretical return to player is 94.08%
- Buy bonus return to player 94.00% (availability depends on jurisdiction)

Randomization

- The reels are spun with a fair and equal chance for each stop position by a certified random number generator.

Menu

Home

The home button returns you to the casino lobby.

Pay table

Within the game menu, press the "i" icon to view pay table and game information.

Help

Within the game menu, the "?" icon opens the game's help file.

Sound / Music

Use the sound option to mute or enable all game sounds. Where applicable, you can use the music option to turn off just the background music, while leaving other game sounds on.

Autoplay

To use autoplay, simply select the amount of spins you desire using the default options or enter your own amount via the pen icon.

Then choose a total loss limit and press the button to confirm and start the spins.

You may also use the "More settings" section to stop the autoplay when a bonus round is triggered or when a jackpot is won (where applicable).

Other

Please note, the performance of your network or devices (e.g. the speed of your connection or processor) may have, or may appear to have, an effect on the game such as in making decisions where speed is a factor or the update of progressive jackpot values.

The prizes are paid in accordance with the payout table available on the game interface.

Depending on the certified configurations, the maximum winning limit indicated in the rules/help screens of the game might not be attainable.

Any game in progress will be completed after 24 hours and the corresponding prize, if any, will be deposited into the account. In the case of a bonus round, only the total winnings from games completed by the player at that time will be deposited into the account. In the eventuality that a choice is required that may have a impact on the outcome of the game, the game will be completed based on the choice "stand".
