

# ZEUS RISING

## FULL GAME RULES

- Zeus Rising is a 5 reel, 3 row video slot. The game is played with 10 bet lines (fixed), orientated from left to right, starting from the outermost left.
- Land 3 or more BONUS symbols to be awarded free spins.
- Each BONUS symbol will award an amount of free spins from 1 to 9, and you will win the total value of the three combined as free spins.
- Free spins are played with the same stake and lines as the triggering game.
- The maximum payout of this slot machine is 5000x stake. Any wins in excess of this amount will instead be limited to this maximum payout. It is possible that the operator has configured a win cap which differs from the 5000x win cap. If this is the case, it will not be possible to reach the 5000x win cap. Please contact the operator for further information.
- All wins multiplied by bet staked per line. Multiple wins across multiple pay lines will be added together. WILD is wild for all symbols except SCATTER.

## FREE SPINS FEATURE

- Each BONUS symbol will award an amount of free spins from 1 to 9, and you will win the total value of the three combined as free spins.
- During free spins, WILD symbols contain a multiplier from x2-x9. If WILDS land they will persist and gain the ability to roam throughout all remaining free spins.
- Wins formed using a WILD symbol will be multiplied by the multiplier shown on the WILD symbol. Win lines with multiple WILD symbols will have the multipliers added together to form the total multiplier for that win. The roaming multiplier wilds move to a new location each spin.

## TRAIL FEATURE

- Land lightning symbols to fill the jackpot meter. Every spin resets the meter. If every symbol on the reels is lit the Jackpot will be awarded! The jackpot amount is shown on the top banner and is equal to 5000x your current bet.
