

## ***Olympus Strikes™***

***Olympus Strikes™: Xtreme Jackpots™*** is a five-reel Greek-themed game featuring Zeus, the god of sky and thunder. In this exciting game, when lightning strikes, players know they are in for a play experience as powerful as its namesake Greek God of the Sky.

During the base game, three or more Bonus (or Wild) symbols in any position on reels one through three triggers the free spin bonus. If additional Bonus (or Wild) symbols land on reels four or five, they'll trigger a scatter pay.

During the free-game bonus, players choose their own volatility to determine the number of free spins awarded. If they choose 243 ways, they can win 15 free spins; 1024 ways awards 10 free spins; and 3125 ways awards five free spins.

A wild symbol randomly triggered any time a wild symbol lands on the reels awards the jackpot pick bonus, in which the player picks until they get three matching symbols. Pays are based on the three matching symbols picked by the player that correspond to one of the four jackpots, keeping anticipation high. Players are guaranteed to win one of the four jackpots during this feature.
