

Fishin' Frenzy- Player Instructions

INTRODUCTION

Fishin' Frenzy is a 5-reel 10-line slot with a Free Spins Bonus that could be the catch of the day!

Step 1: Getting Started

1. Click the TOTAL BET button to increase or decrease the amount of your TOTAL BET. Select from the list of available stakes from the Total Bet options (depending on Operator configuration and currency equivalent).
2. Press 'SPIN' to start the game.

Step 2: How To Play

- ♦ Press 'SPIN' to start the game (depending on jurisdiction and Operator configuration, Spacebar may also be used to start a game).
- ♦ The reels will spin and eventually stop at random.
- ♦ If the combination of symbols appearing on the reels forms a line of 2, 3, 4 or 5 matching symbols (or any fish symbol) starting from the left on one of the win lines, then you win. Any winning lines you have will be highlighted and your winnings will be credited to your account balance.
- ♦ 3 or more Bonus Scatter symbols in view will trigger the Free Spins Bonus. During Free Spins all Fisherman symbols landing on the reels award the cash prize for each Fish symbol in view.

Reel Wins

- ♦ Line wins are multiplied by the value bet on the winning line.
- ♦ All Wins across all different lines are added together to form the total win.
- ♦ All line pay symbols must appear on a played line and on consecutive lines beginning with the far left reel.
- ♦ Only the highest line win is paid on each line.
- ♦ Scatter wins are added to any line wins.

Wild Symbol

- ♦ The Wild symbol can be used to help form line wins by substituting for other symbols.
- ♦ The Wild symbol cannot substitute for scatter symbols or bonus symbols.
- ♦ Only the highest paying win on each line is paid (for example 3 wild symbols being a win or those symbols being used with another symbol to make a win of 4 symbols will only pay which of those two is the highest).

Free Spins

- ♦ Achieving 3 or more Bonus Symbols anywhere in view awards the Bonus.
- ♦ During Free Spins the Fisherman Scatter symbol becomes active. On any spin where a Fisherman symbol lands in view, the prize is awarded for each Fish symbol that also lands in view.
- ♦ Free Spins cannot retrigger during the Free Spins Feature.
- ♦ Free Spins continue until all free spins are used, where the player is awarded the amount of the bonus winnings accumulated.

Auto Play (subject to operator configuration and jurisdictional requirements)

- ♦ There is an Autoplay function in the game that will start each spin automatically.
- ♦ By selecting 'AUTOPLAY' you can choose to bet automatically, one after the other.
- ♦ Select your stake as normal then press the 'AUTOPLAY' button to select the number of 'Autoplay' bets you want to play.

- ♦ Auto Play will turn off if you get into any bonus round including Free Spins, if you reach the set Loss Limit or if a Progressive pot is awarded (where applicable).
- ♦ You can stop Auto Play from continuing onto the next spin by clicking the 'STOP' button.

Payout Information and Game Rules

- ♦ Line wins are multiplied by the value bet on the winning line.
- ♦ Wins on different paylines are added.
- ♦ All line pay symbols must appear on a played line and on consecutive reels beginning with the far left reel (10 lines always active). Only the highest line win is paid on each line.
- ♦ Feature symbols are scatter wins and are awarded when appearing on any position on the reels for any number of played lines.
- ♦ Multiple scatter features can be won in a single game.
- ♦ Scatter wins are paid in addition to reel wins.
- ♦ Free Spins are played on the same number of lines and bet per line/Total Bet as the triggering game (10 lines always active).
- ♦ **MALFUNCTION VOIDS ALL PLAYS AND PAYS.**
- ♦ The prizes are paid in accordance with the payout table available on the game interface.
- ♦ Any game in progress will be completed after 24 hours and the corresponding prize, if any, will be deposited into the account. In the case of a bonus round, only the total winnings from games completed by the player at that time will be deposited into the account.
- ♦ The game history viewer shows a representation of the on-screen result. Some graphical and game play elements may vary on a game by game basis. This does not affect the result of the game.
- ♦ During Demo play, Demo balance will be capped at a maximum of 1,000.00 (or currency equivalent).
