How to Play

Each game consists of 5 wheel spins. Press SPIN to spin the wheel to collect an Emoticon symbol or an Instant Win Star symbol.

Collecting an Emoticon symbol causes all matching emoticons on the grid to explode and fill a portion of the corresponding Emoticon meter. Fill a meter to win a prize.

As Emoticons explode from the grid, some reveal an Extra Spin symbol, which adds one additional spin to the Spin meter.

Collect an Instant Win Star symbol to choose an instant win card. Pick a card and win the associated prize.

The game ends when all spins have been completed. A message appears, showing the game's outcome.

Reveal All

Press REVEAL ALL to play the game to completion automatically. Gameplay continues until all spins are completed.

Rules

Misuse or malfunction voids all pays and plays.

Instant wins are added to total winning prize values.

Wins display as currency.

Player choices made during gameplay do not affect the game's outcome.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 30 days will be cancelled, and the corresponding bet will be refunded.

Additional Information

For this game, the long-term, theoretically-expected payback is 85.00%.
