Sound / Music

Use the sound option to mute or enable all game sounds. Where applicable, you can use the music option to turn off just the background music, while leaving other game sounds on.

The prizes are paid in accordance with the payout table available on the game interface.

All wins pays are left-to-right, on adjacent reels starting with the leftmost reel.
Depending on the certified configurations, the maximum winning limit indicated in the rules/help screens of the game might not be attainable.

Any game in progress will be completed after 24 hours and the corresponding prize, if any, will be deposited into the account. In the case of a bonus round, only the total winnings from games completed by the player at that time will be deposited into the account. In the eventuality that a choice is required that may have a impact on the outcome of the game, the game will be completed based on the choice "stand".
