

POWERBUCK\$ Gong Xi Fa Cai

How to Bet

POWERBUCK\$ Gong Xi Fa Cai features 50 paylines in the base game and Classic Free Spins, 55 paylines in the Super Free Spins, 60 paylines in the Giant Free Spins, and 70 paylines in the Mega Free Spins.

Bet Settings Menu

Press the cog or TOTAL BET to open the Bet Settings menu.

Coins

Displays the current number of coins being played.

Betting is fixed at 50 paylines in the base game.

Coin Value

Displays the current coin value shown in currency.

Total Bet

Displays the current total bet shown in currency. Change by selecting the desired total bet.

On desktop devices, optionally press the minus button (–) to decrease the total bet or press the plus button (+) to increase the total bet.

Press OK to confirm and close the Bet Settings menu.

Spin

Press the circular arrow to submit the bet and spin the reels.

Auto Spin Feature

Auto Spin plays the game automatically for a given number of spins at the current coin value.

For jurisdictions where Auto Spin is enabled: Select the number of auto spins and where available, the loss limit, and the (optional) single win limit.

After selecting the desired bet configuration, press **AUTO SPIN**, and choose how many spins to play at the current bet settings.

Auto Spin plays the specified number of spins until **STOP** is pressed, a bonus is triggered, the balance is insufficient to spin, or any enabled win/loss limit settings are reached.

Auto Spin is only available in approved jurisdictions.

POWERBUCK\$

Every bet is eligible to win either the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive of at least \$1,000,000.00!

– Total bets of \$3.00 or more are eligible to win the **POWERBUCK\$** Progressive.

– Total bets less than \$3.00 are eligible to win the **POWERBUCK\$** Jackpot.

The **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive can be won in the base game and in the *Jackpot Bonus*.

The chance of winning the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive is linearly proportional to the size of the bet.

Multiplier Feature

A multiplier sub-symbol may only appear on select symbols (Dragon, Phoenix, Fish, or Lion) on the first reel. If a symbol containing a multiplier sub-symbol of 2x, 3x, or 5x appears in a line win, that win is multiplied by 2x, 3x, or 5x, respectively.

During the base game, if a multiplier sub-symbol appears on the reels, the **POWERBUCK\$** Jackpot or Progressive may be awarded. During the base game or *Free Spins Bonus*, if a multiplier sub-symbol appears on the reels, the *Jackpot Bonus* may be triggered.

Free Spins Bonus

The *Free Spins Bonus* is triggered when 3 Bonus Scatter Symbols appear anywhere on the reels. These symbols are only found on reels 1, 3, and 5.

Select a coin to reveal Classic 3x5 Free Spins, Super 4x5 Free Spins, Giant 5x5 Free Spins, or Mega 6x5 Free Spins.

Triggering the *Free Spins Bonus* awards 8 free spins.

Classic 3x5 Free Spins are played on the same lines as the triggering spin.

Super 4x5 Free Spins, Giant 5x5 Free Spins, and Mega 6x5 Free Spins are played on 55, 60, and 70 lines, respectively.

During the *Free Spins Bonus*, the following symbols are removed: A, K, Q, J, 10.

The *Free Spins Bonus* is retriggered when 3 Bonus Scatter Symbols appear anywhere on the reels. These symbols are only found on reels 1, 3, and 5.

The bonus can be retriggered multiple times, up to a maximum of 80 free spins per bonus.

Reels used in the *Free Spins Bonus* are different from the reels used in the base game.

Free spins are played at same coin value as the triggering spin.

Jackpot Bonus

The *Jackpot Bonus* may be triggered after the reel spin of any played base game or free spin that contains 1 or more multipliers.

Select a red envelope to reveal and collect a Red Coin, Blue Gem, Green Gem, Purple Gem, or Aqua Gem. Continue selecting red envelopes until 3 matching gems or 4 Red Coins have been collected. Win the Jackpot corresponding to the 3 matching gems. Win the **POWERBUCK\$** Progressive or Jackpot when 4 Red Coins have been collected.

Jackpot	Gem Color
Maxi	Blue
Major	Green
Minor	Purple
Mini	Aqua

Only one jackpot is awarded per *Jackpot Bonus*. Jackpot awards are not multiplied by any value.

Each Red Coin collected before a jackpot is awarded increases each Maxi, Major, Minor, and Mini Jackpot award value by 25% of the base value. Boost values are reset when the bonus ends.

Options

All Sound

- Toggle game sounds on or off.

Music

- Toggle music on or off.

Sound Effects

- Toggle sound effects on or off.

Rules

Misuse or malfunction voids all pays and plays.

The prizes are paid in accordance with the payout table available on the game interface.

Any game in progress for more than 30 days will be cancelled, and the corresponding bet will be refunded.

All line win symbols must appear on a played line and on consecutive reels, beginning with the far-left reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Bonus wins are independent from line wins and are added to the total amount paid.

Wild Symbol is wild and substitutes for all symbols except Bonus Scatter Symbols.

Bonus Scatter Symbol appears on reels 1, 3, and 5 in the base game and *Free Spins Bonus*.

Wins are shown in currency.

In this game, the envelopes are graphical animations for entertainment purposes only. The chances of obtaining a specific outcome are not equiprobable.

In some jurisdictions, regardless of bet size, there may be an award cap on any single transaction. See the payable for details. A transaction includes the results of the bonus, plus the outcome which launched the bonus. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins or respins.

POWERBUCK\$ Rules

For total bets less than \$3.00, only the **POWERBUCK\$** Jackpot is eligible to be won (not the **POWERBUCK\$** Progressive). The **POWERBUCK\$** Jackpot value is always \$1,000,000.00.

For total bets of \$3.00 or more, only the **POWERBUCK\$** Progressive is eligible to be won (not the **POWERBUCK\$** Jackpot). The probability of winning a **POWERBUCK\$** Progressive is proportional to the total bet size.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not available in free play mode.

The **POWERBUCK\$** Jackpot and the **POWERBUCK\$** Progressive are not subject to an award cap.

Upon winning the **POWERBUCK\$** Jackpot or the **POWERBUCK\$** Progressive, a message appears to indicate that customer service will be in contact within 24 hours with payout details. The win verification process may take up to 72 hours, during which time the win amount will not be reflected in the player's account balance. The specific payment process is dependent upon the casino's policy on large win disbursement. You may continue to play. Continuing play does not affect the payment of a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win.

The amount paid after a verified **POWERBUCK\$** Progressive win is approximately the amount seen on the **POWERBUCK\$** Progressive meter when the win occurs. Potentially, the actual amount paid for a **POWERBUCK\$** Progressive win could be somewhat higher because of communication and display delays.

In an *exceptionally* rare case, the win value could be the **POWERBUCK\$** Progressive seed amount if another player's winning outcome is received by the central server immediately prior to another player's winning outcome. It is theoretically possible for this to occur even though the **POWERBUCK\$** Progressive meter did not yet display the meter reset caused by the first player's win. The order of winning is solely determined by the timestamp applied to each transaction request upon receipt by the jackpot server.

All applicable taxes and fees in connection with any winnings awarded to you and any other payments are the sole responsibility of the player. Winnings cannot be transferred, substituted, or redeemed for any other consideration.

The casino or **POWERBUCK\$** administrator may deactivate this game and/or its linked Jackpot and/or Progressive at any time.

The **POWERBUCK\$** Progressive meter represents an increasing top award where the rate of growth is based on a fixed proportion of all bets and any additional funds added by the **POWERBUCK\$** administrator.

Additional Information

Lost Connection During **POWERBUCK\$** Jackpot or Progressive Win

In the unlikely event of a lost connection or game reset during a **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive triggering event, the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive will be awarded.

Notification of the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive win will appear on the game screen when the game is reloaded, and the win will not be reflected in the player's account balance. Any standard wins will be reflected in the account balance. Continued play, whether in this game or any other, does not affect the **POWERBUCK\$** Jackpot or **POWERBUCK\$** Progressive payout. Customer Service will be in contact within 24 hours with the payout details. The win verification process may take up to 72 hours.
